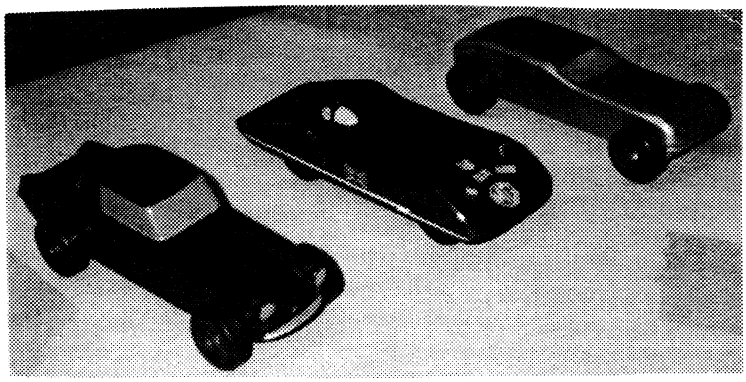
The Can Am CONNECTION

WINDSOR-DETROIT

Vol. 16, No. 5 The Newsletter of the Windsor-Detroit MG Club May, 1996



Gentlemen, Start Your Bandsaws;

It was our Second Annual Pinewood Derby!

It was just like real racing, except that the cars were much lot quieter than real race cars. Come to think of it I have seen a lot of British race cars coasting into the pits very quietly, so maybe this was just like racing a British car. It was our second Pinewood Derby Race and ten club members built cars for the event.

Those participating were **David Zebarah** (MGB-GT), **and Liza Zebarah** (Girl Scout Limited Edition MG?) in the 12 and under class. In the 12 and older kids class we had **Guy St. John** (MG K3), **Ozzie Pillion** (EX135 Bonneville Streamliner), **Jay Kollin** ('74 Midget), a car that looked like an MG-TC with an unidentified entrant, **and the MG TF Ceramics Racing Team of Tom and Marcia Greiner and Ed and Edna Fleming** (all in '32 EX 127 Magic Midgets).

Just like the "Eyes on the Classics" car show, we had a contest for the best designs. All the cars showed a great deal of creativity and workmanship, but as with most things in life, some were a little better than others. **Ozzie Pillon** took First Place with a beautiful model of MG EX135 (and this year it was fast as well as beautiful). Second Place in the design contest went to **Jay Kollin** with an accurate model of his '74 Midget, right down to the Damask Red paint. Third Place was won by **David Zebarah** and his version of an MGB-GT.

In the under 12 class we had a sibling rivalry featuring **David & Liza Zebarah**. David squeaked by Liza in the first and second heats and then voted for extending the racing to the best 3 out of 5 (such a good sport). Of course he won.

The kids in the 12 and over class had a good rivalry going too, it just took longer to run and the rivalry was mainly amongst the MG-TF Ceramics team members. This year **Marcia Greiner** (First Place), beat out **Edna Fleming** (Third Place), with **Ozzie Pillon's** very quick Bonneville streamliner sandwiched between them in Second Place.

All in all a very fun filled evening. We didn't need ear plugs or sun tan lotion, you could see the entire track from all the viewing areas, it didn't rain and nobody crashed. Perfect racing.

Photos: Above left: David Zebarah with his three ribbons, 1st (under 12 class), 2nd overall, & 3rd in design. **Top:** The three best designs, **Jay Kollin's** Midget, **Ozzie Pillon's** EX135, & **David Zebarah's** MGB-GT. **Above: Edna Fleming**, left, and **Marcia Greiner** look happy with their 3rd and 1st place ribbons.

Safety Fast!

Ed Fleming, Editor, President

"Glorious, stirring sight", murmured Toad, "the poetry of motion!...O bliss, O poop-poop! O my, O my!...I might never have heard that enticing sound or smelt that bewitching smell." Mr. Toad describing his first encounter with a motorcar, "The Wind in the Willows".

It was a glorious, stirring sight to see 10 MGs in the parking lot at Meijer's for the start of our first driving event of the year. They all looked great and sounded great. OK so I had to push start the Midget, that's just part of the "charm" of owning a British sportscar. I'll fix the starter before the Spring Rally. Maybe.

After not seeing the purple MG since putting it in it's Omni Bag for the winter last November it was a relief to find it running fine right out of the box or bag.

It's a great feeling to finally drive the sportscar again. Top down, raspy exhaust, twisty two lane roads, MGs in front of you, MGs behind. A truly glorious sight. The "Driving Season" is finally here. Rejoice!

So get out there and drive. These cars were meant to be driven. The Windsor-Detroit MG Club will provide you with several excuses to use your favorite toy. We've got a rally in May, a car show and funkana in June, and several other events over the summer. There are no more excuses for not driving. Check the calendar.

Spring - 3 in 1 - Rally Saturday, May 11th

Tom Greiner has a very interesting "Three in One" Rally planned for our annual Spring Driving Event. Those of you who just want to take a drive in the country will be able to run this rally without looking for clues or watching your stop watch. Those who want a bit of a challenge can run the "Clue Rally" portion of this event. And those who want a bigger challenge can participate in our first in a very long time "Time-Speed-Distance" (TSD) Rally.

The TSD rally will be a relatively simple affair (Tom and I will be putting it on and we've both run enough of these to know we don't want to work too hard at it). It's going to be a fun a rally.

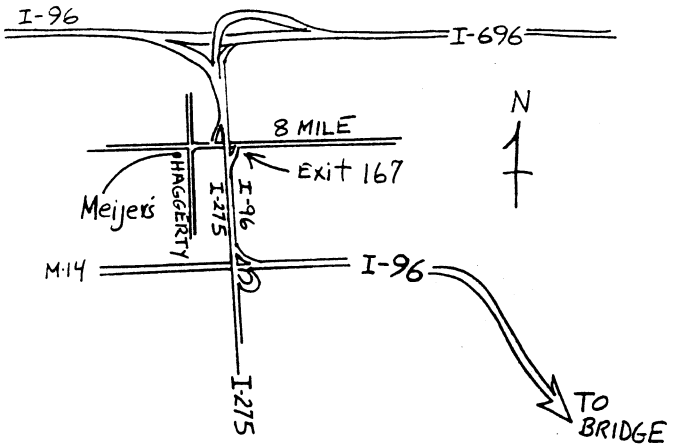
We'll end up at the usual "restaurant in the Eastern Time Zone".

What: Spring "3 in 1" Rally

Where: Starts at the Meijer Parking lot (is there another place to start a WDMGC event?) See Map

When: Saturday, May 11th, Rally starts at 1PM, be there by 12:30

What to Bring: Clip board, pen or pencil, dictionary, atlas, every map you can find, stop watch (helpful, but not necessary if you plan to run the TSD Rally), sense of humor, and sun tan lotion (yes, it will be sunny).



"One man's Junk is Another Man's Treasure". Here's Your Chance to Get Rid of All That Junk in Your Garage and Get Some New Treasures! Garage Sale Saturday May 18th

Now's the time to pack up all those miscellaneous parts that have been sitting around your garage collecting dust and actually sell them for real money. It's true, fellow club members will actually pay you for the stuff your significant other has been telling you to throw away!

How can this be, you ask? Just bring it to our Spring Garage Sale! You'll be surprised at what other members will pay good money for. And what valuable treasures they've been storing in their garages and are willing to sell to you for a pittance.

What: Spring Garage Sale

Where: Michigan Imports in Westland-see map

When: Saturday, May 18th, 9AM to 2 PM.

What to Bring: All your unneeded British cars and parts, money to buy other people's car parts that you know you'll need.

Let's Make A Grand Entrance!

by Sue Snyder

This year's Carnival of Cars is returning to the old Packard Proving Grounds on M-53 (Van Dyke) between 22 and 23 Mile Roads. Because British cars are a minority group at this event we wish to demonstrate our solidarity by entering the field together.

Last year WDMGC and the Detroit Triumph clubs had a good showing. We hope to do even better this year. If you would like to be part of a British caravan, meet at the Snyder's house at 8 am on June 9th. We are located in Sterling Heights, one street north of 17 Mile Rd. and one street east of Dodge Park Rd. This is about 5.5 miles from the show site.

Because judging starts at 9 am we do need to leave promptly at 8 am. We encourage **all** club members to have their cars judged as it increases the number of awards for each marque. Remember, in order to be judged, you must pre-register. (Registration forms were in the April newsletter).

Hope to see you there. For details, call Sue or Dave at (810) 979-4875.

One-Oh-Octagon
Cecil's 108th Birthday Bash a Big Success!

What did I tell you, the weather was great for Cecil Kimber's 108th Birthday Bash. Sure it rained the night before, but by the time we left our usual start point at the Meijer's parking lot in Northville, it was sun-shining and temperatures were heading toward the mid 70's (24 C.).

Members who made our first of the year driving event included **Toni De Vittori & Dale Brown, Guy St. John, Fran & Marshall Coulter, Dean & Flora Wheeler, Doug Spencer & Kelly Franklin, Tom & Marcia Greiner, Ray & Fran Lewis, Ed Fleming, Phil Wiltshire, Ed Rugg and Otto Pope.**

The caravan included four B-GTs and two roadsters with their tops up, but for the most part this was a great top down day. We headed west-northwest through the farmland of Washtenau and Livingston counties down the same great twisty two lanes we've used before. Past the same cattle and pig farms we've past before. Only this year we had a **very brisk** wind from the south which eliminated one of the unpleasantries of past trips (most of the livestock lives on the north side of the road).

Two unusual sights on the way up were Tom Greiner actually driving 15 miles an hour **UNDER** the speed limit and a new herd of **buffalo** just east of the town of Mason. I got a picture of the bison but every time I tried taking a picture of Tom, a 50 MPH speed limit sign and my speedo at 35, Tom would speed up so you'll just have to take my word on that one.

At the Delhi Cafe in Holt, we met up with a dozen or so members of the NAMGAR (Rowdies) and LAMGA clubs for the birthday celebrations.

There, we introduced ourselves, told interesting lies about our cars and club events, past and future, and generally had a great time.

We even found out how the "Rowdies" got their nick name. Seems one evening at a gathering of MGAs in Ontario, Bruce Nichols, one of the founding members of the Rowdies had gotten a little boisterous and a member of another club threw a grape at him. Bruce returned fire with a potato and the food fight was on, with may people present murmuring something about those rowdy Michigan NAMGAR members.

No food was thrown at our Birthday Bash honoring Cecil Kimber and after the birthday cake (once again baked by **Marcia Greiner**) we moved the festivities to the parking lot with about 25 examples of Cecil's favorite motorcar on display.
