The Windsor-Detroit MG Club
The International Local Club

Can Am Newsletter Editor, Dale Brown

Since the last edition of the Can-Am Connection, and I have still been enjoying our time in Florida. We have met up with fellow club members, Jan and Jeff Zorn and even attended their local club monthly meeting (an early morning breakfast meeting at the Clearwater Country Club) and their annual car show in St. Pete Beach.

I've also had a bunch more work done on the MG while we have been here. No sense taking the time at home in the summer when we should just be driving. Last summer I bought a new top from Andrew Turner and had that installed. Of course, the frame needed repairs, paint and new seals. Then I had my windshield wipers and one of the arms replaced as well as a new temperature sensor and voltage regulator. Unfortunately, It was also discovered that my front brake calipers, pads and all brake hoses were in poor shape, so they were replaced as well. (So much for just a top installation!)

During all this time, I discovered that one of the front shocks was in need of replacement and my issue I've had for years with the front end being too low was diagnosed as poor front springs. I purchased new ones in the past but now discover that new ones from the suppliers are not always accurate for the models that they are meant for. It was recommended that I use a new set made by Suplex. I bought those as well as a rebuilt front shock and did the conversions at our campground. What a difference. My car after many years is finally sitting level and handles superbly.

Car, now level at the St. Pete Beach car show

Last year I replaced two of the tires and the Goodyear dealer still had the other two in stock even though they have now been discontinued. I think I will get them put on before we go home. I beleive that finally after all these years it's going to be harder and harder to find P185 70R14's.

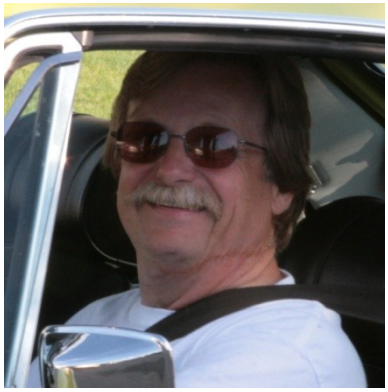
Great driving all winter though. Can't wait to continue when we're home in late April. I hope the snow will be gone by then!

Left: The new Suplex spring on the right is almost 1" taller than the original spec.

Right: New top installed and it's keeping us nice and dry.

Presidentially speaking

Steve Finch - Club President



The driving season will soon be upon us. Time to get your cars ready to have some fun again. WDMGC has prepared a full calendar of events for 2016.

In February at the Annual General Meeting the elections were held and we have a new Board member and Vice President, Heide Basinger. Heide was our Rookie of the Year for 2011 and helped us move the Hibernation Party to Sindbad's. I welcome Heide to the Board and want to thank Ralph Poupard for his service this past year as Vice President. I also want to thank the returning elected and volunteer Board members for their continuing service to the Club.

This past week the Board met to review the 2016 Calendar of Events prepared by Events Coordinator, Philip Wiltshire. The full calendar is included in this newsletter. Some dates are tentative so stay tuned to our website for updates. The calendar includes the many events that have become staples for the club and some new events as well. Our endeavor this year is to return more driving events to the calendar and to foster more opportunities for joint events with other British car clubs.

The first driving event of the year is the Kimber Run and Birthday Bash celebrating the 128th anniversary of the birth of Cecil Kimber, the founder of the M.G. Car Company. Each year the WDMGC joins other MG car clubs from around the state to celebrate the birthday of MG's founding father, Cecil Kimber, born April 12, 1888. This year's celebration will take place on Saturday April 9th. We will meet at the Meijer's parking lot at 8 Mile and Haggerty at 9:30 to convoy on a scenic drive to the Delhi Cafe in Holt. There we will toast Cecil, enjoy the company of fellow MG enthusiasts from around the state, and treat ourselves to lunch and a bit of birthday cake. The journey is expected to take about two hours, so those who wish to participate but cannot join the convoy can meet us at the Delhi around noon.

A new event we are working on is associated with The Magical History Tour, A Beatles Memorabilia Exhibition at The Henry Ford. It is penciled in for May 15 and are hoping for special British car corral parking.

We are again hosting The Spring Gathering at Camp Dearborn. The date is Sunday May 22 and is open to all British car clubs and enthusiasts. No registration, no formal car show or class parking, and no awards; just an opportunity to share our passion with fellow British car owners and clubs, and to get to know one another.

The calendar includes the car show runs to Ft Meigs in Perrysburg, Mad Dogs and Englishman at the Gilmore Museum, the WDMGC All British Car Show at Heritage Village, Battle of the Brits at Camp Dearborn, British Car Day at Bronte Creek and other shows more distant. And each of them a great driving opportunity.

Car shows can be fun, but sometimes we just want to take a drive with our friends. If that appeals to you we have the Summer Sunday Drive with the Morgan Club, Sip into Summer in Essex County, the Summer Fun Run, a drive to the Auburn / Cord / Duesenberg Museum, the Autumn Twisty Bits Tour and Fall Color Tour.

If vintage car competition is your interest then the Waterford Hills Vintage Car Races at the end of July is a must attend event. This year the MG Vintage Racers have named this race its Mid West Focus event. There is also the Mid-Ohio Vintage Grand Prix in June, the Vintage Grand Prix au Grattan XXX in August and the Put-In-Bay Race Reunion at the end of August. Each of these a great driving opportunity as well.

The Stratford Festival Tour returns to the calendar in June. The show this year is *"A Little Night Music"* by Stephen Sondheim. See the flyer in this edition and contact Philip Wiltshire to arrange for tickets.

The MG2016 All MG Registers Meet is in Louisville June 13-17. Every five years all the MG Registers come together to hold a joint convention. If you have never been to a national MG convention then this one is the one you don't want to miss. You will see cars that you have maybe never seen before.

And last but not least, we are moving the Hibernation Party to November to accommodate the growing number of "snowbirds" among our membership.

I hope you join us at meetings, events, and for drives in our MGs this spring.

Safety MG Fast!

Steve

The 2016 Annual Hibernation Party and Awards Presentation

Saturday, January 23rd at Sindbad's

A Resounding Success!

Left: Everyone attending received a special WDMGC wine glass

Right: Guy St. John was the (un)lucky winner of the Club Door Prize. There for the presentation was Kevin Wolfe(l) and Club President, Steve Finch (r).

The Hibernation Party is the Club's premier social event of the year, and as, promised, it was a very special event. Held on the Detroit side this year at, yet another, new location, Sindbad's! Dinner was superb, companionship was phenomenal and everyone had a great time! The Club's annual awards were presented at the Hibernation Party:

Rookie of the Year

David Cook of Birmingham, MI
David was busy attending events and meetings on both sides of the border.

Navigator of the Year

Ailene Butcher of Milford, MI.
Ailene was recognized for the many trips she made, map-in-hand, with husband Doug in order to find the splendid driving route we enjoyed for the Autumn Tour.

Lucky Lucas Award

Jean Paul McGraw, a relatively new member from Windsor, ON.
Jean Paul bought Scott Turner's MBG. Scott passed away in 2015 and is keeping Scott's memory alive by being a member of WDMGC.

Hard Luck Award

Dan Sokolowski of Bloomfield Hills, MI
Dan earned the award for his first year of driving without an MG! Dan is considering offering the award to the new owner of his recently sold MGB, as the new owner's first two drives featured breakdowns, including a new clutch!

Founder's Award

Chris Gurnee of Farmington, MI
Chris was recognized with the club's most prestigious award for the tremendous amount of hard work and hours he has expended in producing a brand new web site for the club, of which we are all justly proud.

And the coveted **Door Prize** - Jimmy the Door:
Guy St. John of Ann Arbor, MI

Annual General Meeting

By Rick Astley

The February Monthly Meeting at the Brass Pointe was also our Annual General Meeting.

Club president, Steve Finch, reviewed the past 12 months and thanked all those who had contributed to making 2015 another successful year for the club. He also outlined plans for the 2016 program of events and in doing so noted how we were sharing more events with other local British car clubs, especially with the Jaguar club, which had proven the most amenable to collaborating with us. In order to further promote inter-club cooperation, he announced that he had been exploring with other local car clubs the possibility of reviving the British Car Council. That, he said, required the willingness of the other clubs to participate and the Windsor-Detroit MG Club would be leading that initiative.

Our Treasurer, Vicki Bade, then reviewed the club finances, explaining the more significant expenses, notably the recent Hibernation Party. She confirmed that the club's finances do allow us to have a second Hibernation Party late this year as we fulfill our previously announced intention to pull it back to its original October or November date.

Club Secretary, Rick Astley, then presided over the election of officers. He reminded everyone that there are 4 elected officers of the club, and although a bylaw change, approved at last year's AGM, had eliminated term limits, it is still required that we have an election to the those offices, which are: President, Vice President, Treasurer and Secretary. The incumbent Vice President, Ralph Poupard, had not nominated himself this year because other commitments would not allow him to fulfill the position's duties to his satisfaction. The club thanks Ralph for his generous service in 2015 and in various roles over previous years too. Other than the Vice President, all the other incumbents had put their names forward for reelection. No other nominees had come forward prior to the meeting for those positions, but Heide Basinger had nominated herself for the now vacant office of Vice President. Rick called for further nominations from the floor, there were none and so nominations were formally closed.

With only one nominee for each elected position, there was no need for a vote and so by acclamation: President (Steve Finch), Treasurer (Vicki Bade) and Secretary (Rick Astley) were returned and Vice President (Heide Basinger) was elected.

Steve then announced that Heide had agreed, subject to her being elected, to include the British Car Council task as one of her duties as Vice President.

The meeting was then closed. Next year's AGM will be in Canada, probably at the January Monthly Meeting.

March Meeting at Jose's

The March club meeting will be Wednesday March 9 at Jose's Bar and Grill in Windsor, Ontario. The meeting starts at around 7:30 pm but join us earlier if you plan on having dinner. Most people start arriving at around 6:00

Cars of the Month - March 2016

Founding Member and Past President Dave Hornby's current British Car stable. He purchased his 1974 MGB many years ago and set upon restoring it bit by bit. He recently switched over to wire wheels and drives it regularly. He also recently purchased a beautiful 1998 Morgan Plus 8 which you may have seen at some of our club outings. He found it at a Lotus Dealer in Jacksonville, Florida and imported it to Canada. He's already making modifications to suit his taste!
