I hope you enjoy this edition of The Can Am Connection.

As far as Canadian side meetings are concerned, we have elected to once again forgo a meeting for February. With potential driving weather in late March, we will tentatively plan our Natter and Noggin for Wednesday, March 16 at The DH starting at 6 pm. Watch for updates as we get closer.

Be sure to send me any stories, pictures or tech articles so that I can put them in a future newsletter. Can-Am@WDMGC.com

Vicki Bade - Club President

Hi Everybody!

Hope you are all staying warm since Mother Nature is reminding us that it is wintertime and cold seems a very mild word for the way it has been feeling lately. Matt and I were very happy that we did not get the massive snow amounts originally predicted in this last snowstorm and my little snowblower is doing nicely.

We had a nice group for our January Zoom only meeting from both sides, although I do have to apologize for my computers nasty habit of locking up on me as I am trying to conduct the meeting-gotta love technology and unreliable Wi-Fi.

Our Covid 19 numbers seems to be finally moving in a downward direction a little and I know we are all hoping for a break to this latest variance. That being said-we will be having our February 9th meeting In-person at the Brass Pointe and will also be having a Zoom meeting along with it. This is technically our AGM-Annual General Meeting, so we will be finalizing the board member nominations. Thanks to all of those that participated in the voting process and I hope you can join us for the meeting one way or another.

We will be getting the sign-up form out for our Hibernation Luncheon set for Sunday March 20th at the Garage Grill &Fuel Bar in Northville, MI-so look for it and plan on sending your RSVP as soon as you can since space is limited to no more than 60 people. Looking forward to a nice event and getting together while we wait for spring to get here. It would be lovely to be able to see some of our Canadian members again-so keep your fingers crossed that health conditions and regulations will improve enough that it is possible.

It is with a heavy heart that we announce that Janet Anderson-Davis has lost her battle with cancer and passed recently. Rick Astley has written a beautiful article to celebrate the life of this lovely woman and long-time club member. I will always remember the smile she had whenever I saw her and as with the other club member's we have lost it is very sad to know they are no longer with us. It is never easy to lose a friend and/or loved one and I know that many of us have experienced way too much of that. Sometimes all we can do is cherish the time we had and the memories that no one can take away from us.

Please be kind, stay safe and take the time to let the people in your life know how much you care.

The foremost club for British car owners in southeast Michigan and southwest Ontario.

Treasurer's Report - February 2022

by John Magee

February 2022 Treasurer's Report

February 2022 Treasurer's report:

Hi all,

The full February treasury report has been delayed a bit and will be delivered in person at the Wednesday, February 9, meeting. Sorry about that.

The major expense for the month of January was $440.73 for printing and mailing the 2022 directories. Thank you to Mick Gedeon for the excellent work on that front and for the very clear accounting afterwards!

Thanks,
John Magee
Treasurer, WDMGC

Windsor-Detroit MG Club Annual Elections 2022

The Windsor-Detroit MG Club bylaws require that elections must be held every year for the following positions:

- President
- Vice-President
- Secretary
- Treasurer

The club would normally carry out these functions with a vote at a General Membership meeting, but this year as with last year the pandemic is preventing our membership from meeting together and the board will be asking members to vote on-line.

The current board has agreed to carry on their positions for 2022, except for the Vice President position which Dale Brown has been nominated for- but as with our bylaws anyone that would like to nominate someone for any of the positions may do so with their vote.

The process takes very little time and we do not have any other items to vote on this year. Please go to the link below to vote for the board positions.

The AGM will be held on the US side on Wednesday February 9th where the results will be made official, so please have your ballots completed by Sunday January 31st, 2022to give us time to tabulate the votes.

TOYS FOR TOTS®

January 2022

Anne Astley
28404 S Harwich Dr
Farmington Hills, MI 48334

Dear Anne,

Thank you for your generous gift of 47 toys to Toys for Tots in December 2021.

This past year was an extraordinarily difficult year for many, but our communities stepped up to make sure our children had a merry Christmas.

Barb and I were surprised and thankful for the overwhelming response of generosity. SW Oakland County/NW Wayne County Toys for Tots was able to help an estimated 7200 children through individual families and non-profit groups. We distributed more than 27,000 toys, stocking stutters and books. We would not have been able to do this without the support of individuals, companies and groups like you.

We would like to thank you again and wish you a happy new year.

Sincerely,

Barb DuRei and April Saari
Coordinators for SW Oakland County/NW Wayne County Toys for Tots

Janet Anderson-Davis

This picture of Janet was taken at our monthly meeting December 8th last year.

We are truly sorry to have to report the loss on January 30th, from complications from cancer, of our fellow member and friend Janet Anderson-Davis.

From almost the moment they joined in May 1999, Janet and her late husband Elvin became a force in our club and were soon known to many members because of their presence at so many events and activities, their volunteering together to manage our regalia, the quizzes they devised for meetings and all the fun they brought with them when they arrived in, – first their white MGB – and later the famous all red 1980 with matching trailer.

Janet was born in Detroit in July 1954, gained her BA in political science at Michigan State and her law degree at the University of Michigan. She met Elvin in 1980 and they were married in September of 1982. Working first for an insurance company, she later became an attorney for Wayne County and was often featured in local newspapers and TV news for her participation in high profile cases, particularly those involving ballot issues. She even oversaw our own club elections, taking her responsibility very seriously, insisting for example that candidates should show their ID, even though she may have been casually chatting to them as friends moments before!

Elvin died in September 2020 and only a few weeks later, when she was still in deep grief, Janet's friends and family were shocked to receive an email from her with the subject line, "… And now it's my turn", in which she described how after feeling shortness of breath, she visited a doctor, had x–rays and was told that she, a lifetime non-smoker, had stage-4 lung cancer. Many are glibly described as having "battled" cancer, but with Janet, it was literally the case. After doctors told her early-on that she should consider palliative care, her answer was that they were not writing her off that easily and told them to think again, sought second opinions and treatment options, and eventually went to a different hospital group.

We remember Janet as a fellow club member, loving wife to Elvin, friend, mother, grandmother, a celebrated attorney, a voracious reader and super smart lady, but did you know she was also a published poet? In her book, *Dance of the Warriors*, she wasn't shy to dedicate this poem to Elvin.

THE FIRST KISS
The first kiss
gave me that melt-in-your-mouth
sweet sugar daddy flavor
It soothed a soul aching to burst free
My ballerina legs stretched taught
I wanted more
The first kiss made me dig deep
into the sultriness of us
I cooed
And was whole

And just days before her passing, she wrote to family and friends
My mantra for today:
My name is Janet
I'm here to say
I'm a very strong lady
On this blessed day
I will stand and walk
I will do my best
From toil I won't balk
Give God the rest

Janet is survived by 2 children and 5 grandchildren to whom we send our deepest condolences.

A Celebrations of Life of her was held February 4th at which WDMGC members were present and one of us spoke about how much she and Elvin had meant to the club.

During the summer of 1992, hundreds of MGs converged on scenic Peterborough, in the Kawartha Lakes region of Ontario, for the inaugural convention of the North American MGB Register. Thirty years later, we are going back to where it all began. Come join us June 19th to 23rd to honour our history and celebrate the future. We will have a slew of activities for enthusiasts of all ages including a car show, tech sessions, lift lock tours, funkhana, local rally, self-directed drives, a parking lot party and an awards banquet with a very special guest speaker. We look forward to seeing you in Peterborough at THE MG event of 2022!

*** MG2022 Update - January 2022 - Happy New Year! ***

The organizing committee of MG2022 continues to work behind the scenes to ensure all our participants enjoy a memorable and fun-filled convention. Registration opened at the beginning of December and our team has been overwhelmed by the fantastic response we have seen thus far.

At the time of writing this update, we are down to our last 10 convention rate hotel rooms. All this allocation at the Holiday Inn has now sold out and the remaining rooms are at the Best Western. Standard rates at both of those hotels are still available by making your own arrangements directly with these host hotels themselves. Peterborough also offers several other choices for accommodations including hotels, motels, traditional bed & breakfast, AirBnB and some excellent campgrounds in the local area.

Our activities are also filling up fast. We kick things off on Sunday when registration opens at the Holiday Inn, followed by the NAMGBR Meet & Greet where you will be able to meet the organization's officers and registrars. Monday will have a full schedule of programming including numerous Tech Sessions, Guided Tours, a Rallye and Funkhana during the day, followed in the evening by our Parking Lot Party at the Holiday Inn. We will also have self directed driving routes mapped out for those who wish to explore Peterborough and surrounding areas in their MG.

Tuesday brings us another full day of activities including the famous John Twist Rolling Tech Session plus more Indoor Tech Sessions, Guided Tours and the Hagerty Driving Experience followed in the evening by our Group Dinner at Lang Pioneer Village and then later by our Pub Night.

Wednesday is the day you have all been waiting for. The Car Show is the main feature of all NAMGBR conventions. We will have all the standard NAMGBR classes for MGB, MGC, Midget, 1100/1300 and Post Abingdon cars plus classes for MG T-Series, MGA, MG - Other and British - Other. You do not need to bring a NAMGBR sanctioned car to participate in our car show and we encourage owners of all MGs to consider bringing their cars to MG2022.

This year's show will take place at Nicholls Oval Park, only a short 5-minute drive from the host hotels. This was the site of the Car Show at the inaugural convention in 1992 and we look forward to making our return to this beautiful location and filling it with hundreds of MGs. There are washrooms on site, plus lots of trees for shade, a playground with splash pad for our youngest enthusiasts and a covered pavilion just in case of any inclement weather. We have lined up a DJ to play British Invasion tunes, some food trucks and British Car related vendors to offer a complete MG Car Show experience.

The Car Show is followed by the Awards Banquet at the Holiday Inn. Ticket holders will be provided with a hearty meal and once the dinner has finished, we will open the Awards Ceremony to all participants. Covid restrictions might make it a bit challenging to fit all participants into the banquet facility, but we are working on finding a way of having the ceremony broadcast on a live feed into one or two of the hotel's conference rooms. You will not want to miss our Guest Speaker coming all the way from the UK, Dr. Ian Pogson, who spent many years working on Post Abingdon cars for MG. His stories and tales from the modern factory are not to be missed.

Thursday morning, we say farewell with a Pancake Breakfast to promote MG2023 in Calgary. We look forward to hearing more about MG2023 from the Calgary MG Club. I have personally visited the host hotel for MG2023 and can say it will be a fantastic location for another NAMGBR convention.

As previously mentioned, our activities are filling up fast. Some are available on a limited/first come first served basis so please consider registering as soon as you possibly can at www.mg2022.org to avoid missing out.
Safety Fast!

MG2022 Vice Chair

February Meeting at The Brass Pointe!

February Meeting
Wednesday, February 9
The Brass Pointe, Farmington Hills, Michigan

The restaurant hours are still not back to normal and it will close at 8:00 pm. Because of that, we'll start the brief formal part of the evening a little earlier at around 7:00 pm. As usual, we expect most people to begin to arrive around 6:00 pm.
We don't anticipate restaurant limits to restrict our numbers because the main restaurant is still not functioning at the allowed capacity and the room we use is considered part of the whole building.
We're sorry that, for the time being, border restrictions will prevent our Canadian friends from joining us, but hope that it won't be too long before we will all be able to get together on one side of the border or the other.
For the location of the Brass Pointe, see our Map Page

For those of you that cannot attend, the business meeting will be broadcast on Zoom. Here's the information to log on.
