Hello Everyone,

I can't believe it is May already! So nice to have winter in the rear view mirror.

Well, the birds and others are going to have to eat their normal food for a little while-our DNR in Michigan has suggested that we remove our bird feeders temporarily as the Avian flu spreads. No evidence that songbirds are being stricken with it yet, but as the feeders become a communal hot spot for the various species around the area, I will go the cautious route and put mine away for now. Bummer-I was really enjoying the view on the days that I am working from home and I know Mr. Squirrel will not be happy-oh well.

Matt's "B" gave us a very smooth and enjoyable ride to the Kimber luncheon last month-we had an unbelievably great day with sunshine the whole day and dare I say it-warmth! I honestly can't remember the last time we might have been that lucky and it gave us a room full of MG enthusiasts to celebrate Cecil Kimber's birthday at Delhi Café. Lots of good pictures to share-our club was well represented, and it was just a really nice day.

We have our Spring Gathering on Sunday May 22nd at Camp Dearborn 11:00-4:00pm and we can only hope for nice weather for that one also. Bring your cars, chairs and some lunch and enjoy the day.

Bakers of Milford will be having one of their Sunday car nights if you want to keep going.

Please note that the in person May meeting at the Brass Pointe is on Thursday May 12th due to a conflict for our usual day. We will also be having a Zoom meeting for anyone that can not attend in person. The Zoom information will be in the meeting reminder email. Sorry for any confusion.

The Canadian side Natter and Noggin is scheduled for Wednesday May 18th at the Dominion House at 6:00pm. They get a nice turnout, so check it out and enjoy a pint and some good food.

I hope everyone is getting their cars out and about for the start of the driving season-we really have to enjoy those nice days when they come along. We have the space to add pictures if you want to share your adventures with the club-just send them to Dale so he can include them in the Newsletter.

If you have any suggestions or day trips you want to make happen, let us know. You can contact anyone on the board.

Hope to see you for the meeting and at the Spring Gathering this month-get those cars on the road and as always stay safe and stay healthy!!

The foremost club for British car owners in southeast Michigan and southwest Ontario.

Canadian Side WDMGC Club Natter and Noggin at The DH Wednesday May 18 at 6 pm

With restrictions lifting further, we invite you to join us for another Covid Safe outing. This will not be a formal meeting, but more of a Natter and Noggin get together. All current Windsor Essex Health Unit requirements will be in place.

Our Club held our Canadian side meetings at The Dominion House years ago. Since that time, new owners have improved all things about the restaurant and it is quite nice.

The dinner is available at anytime , so you can arrive and eat at whatever time you choose. Weather permitting, we may even be able to sit outside on their large patio.

The parking lot is paved near the front end on the south side of the restaurant so feel free to drive your MGs.

Camp Dearborn
1700 General Motors Road, Milford, MI 48380

The Windsor-Detroit MG Club is proud to sponsor the 10th Annual Spring British Car Gathering & Picnic at Camp Dearborn in Milford, MI.

No registration, no formal car show or class parking, and no awards; just an opportunity to share our passion with fellow British car owners and clubs, and to get to know one another.

We have reserved a large, well shaded area that is to the right just inside the entrance, behind and down the hill from the office-the area called Evergreen. There is an entrance fee to the park. Cars will be parked on pavement so not to worry about wet or soft ground. We have use of a picnic shelter and nearby restrooms.

WDMGC will supply water bottles-please bring your own chairs and any food you would like for yourselves.

BOOT SALE

Have some spare parts, tools, etc. that are cluttering your garage? Bring them along and offer them for sale from the boot of your car. We are not looking to host a full blown swap meet, so please no trailers full of stuff. Whatever you can get in your car or bring pictures of larger items that you want to sell.

For more information contact us at Board@WDMGC.com or contact Vicki Bade at (248) 909-0874
The Camp Dearborn Web Site is www.campdearborn.com

As a former participant at our annual event, we hope to see you again on **Sunday, June 5th** in Perrysburg, Ohio for "The British Return to Fort Meigs".
We look forward to a great show that will include vendors, participant voting for awards, a silent auction, door prizes, and a beautiful outdoors setting.
Attached is the registration for this year's event - Please note that online registration is now available at https://www.motorsportreg.com. Or send us a check with your registration form.

Please share this information with others you know who might have an interest in attending.
Excuse us if you receive more than one email, as those who are 'frequent flyers' may be on more than one listing in our systems.

If you have any questions, please feel free to contact us. Hope to see you in June!

*** MG2022 Update – March 2022 ***

The organizing committee of MG2022 is pleased at the overwhelming response we have received thus far. As of now, we have roughly 200 participants registered. Our discounted rooms at the Holiday Inn have all sold out and we are down to less than 5 at the Best Western. We have provided a list of other accommodations on the online MG2022 registration form. If you haven't already registered, we encourage you to do so as soon as possible, some of our activities are capacity limited on a first come, first served basis and they have started to sell out. This includes our awards banquet. The main banquet room is now fully sold out, however we have just secured access to another room offering an additional 35 seats. We hope to be able to hook up a live video feed to this room, so you don't miss any of the action, including our special guest speaker, former MG employee Dr. Ian Pogson. If you want to ensure access to the activities of your choice, don't keep waiting and miss out! Register now at www.MG2022.org.

Since our last update was released, we have launched our online regalia and commemorative MGB60 beer sales. Those can be found by visiting the MG2022 website. We are very excited to feature the ability to have an MG of your choice, in the colour of your choice, stitched onto your MG2022 shirts. There is a wide array of MGs to choose from and the colour possibilities are endless. Perfect for those unique 1970s MGB colours like Limeflower or Aconite. Our MGB60 commemorative beer cans are also sure to be a hit. We have partnered with Henderson Brewing Co in Toronto to come up with a very limited edition 8 pack of MGB themed tall cans. Each can represent an iconic MGB variant and inside you will find Henderson's easy drinking Food Truck Lagered Blonde, perfect for those June temps in Southern Ontario.

Our activities calendar is jammed full of events that should satisfy MG enthusiasts of all ages and backgrounds. Whilst there are several activities that are ticketed and require an additional fee, your MG2022 registration allows you access to many non-ticketed activities such as the Meet & Greet, Tech Sessions, Rallye & Funkhana, Hagerty Driving Experience, Parking Lot Party, Car Show and more. Our ticketed activities include bus trips to local sites of interest such as Petroglyphs Provincial Park and Bobcaygeon, Lift Lock Cruises, Scottish AfternoonTeas and an off-site Barbecue dinner at Lang Pioneer Village. We really do hope that there will be something for everyone who attends MG2022.

Finally, it has now been a few years of planning and organizing but to see everything coming to fruition makes the effort all worthwhile. We are still dealing with some restrictions from COVID, but it looks like things are indeed opening back up. For our American friends, please make sure your passports are up to date and review the latest Government of Canada Travel Guidelines at (http://travel.gc.ca/travel-covid). Please check these requirements often as they are constantly changing.

Registration for MG2022 closes May 31st and you will not want to miss out so do not delay, register today!

INTRODUCING THE DETROIT CONCOURS D'ELEGANCE

Hagerty is excited to debut the inaugural Detroit Concours d'Elegance and its new dates, September 16–18, 2022. Building upon the Concours d'Elegance of America's four decades of excellence, the reimagined event finds its new home at the Detroit Institute of Arts in the heart of the Motor City.

The Detroit Concours d'Elegance is an all-new, weekend-long tribute to the people who designed, built, and drove American car culture, and to the vehicles at its heart. Held at venues throughout the city, complimentary and ticketed activities include new vehicle showcases, ride & drive opportunities, exclusive experiences, engaging seminars as well as Saturday's Cars & Community and Sunday's Concours d'Elegance.

"We're incredibly excited about the event's new home in downtown Detroit. Being there puts car lovers right in the middle of the thriving design, music and sporting culture of the Motor City," said McKeel Hagerty, CEO of Hagerty. "Concours weekends are about championing the fact that all cars are cool and some of them are just jewels that need to be celebrated. This event will honor the tradition of the concours, but also bring in new elements to provide on-ramps for future car lovers and families."

Tomorrow's announcement coincides with the reveal of a new Detroit Concours d'Elegance logo, a refreshed website in addition to the innovative schedule of events.

I want to sell my 1972 MGB. I have had it for 12 years and bought it on eBay in Maryland. I am now 73 and it is difficult to get in and out of it so I think it is time to put it on the market.

It has been garaged every winter and I have driven it around Ypsilanti and Ann Arbor. I bought it to drive it; not to restore it. It was newly painted Pale primrose when I bought it. It also had the battery moved to the front of the engine. I had a brace welded to carry a new Honda battery last year. It had been rewired and set up to play through large speakers (behind the seats) using your phone.) Carburetors (new) were taken out and replaced with rebuilt originals for the car.

Bought a new top when I got it and it is in perfect shape. It has new tires and rims I bought last summer. I have repair bills for all that was repaired (slave cylinder, window wiper, brakes). I did find a one-inch rip in the back of the driver's seat, though the springs are not good and I usually sit on a pillow or put one under the seat. A small rust spot on the rocker panel of the driver's door. I have the original key wrench for the knock-off hubs and an extra-long key as well. I have the tonneau cover too. I'm asking $6000. May Meeting at The Brass Pointe!

Thursday, May 12

The Brass Pointe, Farmington Hills, Michigan
The restaurant hours are still not back to normal and it will close at 8:00 pm. Because of that, we'll start the brief formal part of the evening a little earlier at around 7:00 pm. As usual, we expect most people to begin to arrive around 6:00 pm.
We don't anticipate restaurant limits to restrict our numbers because the main restaurant is still not functioning at the allowed capacity and the room we use is considered part of the whole building.

For the location of the Brass Pointe, see our Map Page
