Presidentially speaking

Hi All,

Vicki Bade - Club President

I can't believe it is June already-you look forward to Spring and Summer so much, only to have it fly by on you. I hope everyone has been getting out and about to enjoy these wonderful driving days.

We had a great turnout for our 10th Annual Spring Gathering at Camp Dearborn in May. Quite the selection of cars to be seen and a few other clubs joined us for the day. The weather was kind to us and it was a nice dry day-John Magee and I saw a beautiful bald eagle flying high above our heads, what a wonderful sight! I am hopeful that next year we can bring back the food portion to the day and once again offer lunch to those that come out. Thanks to everyone that joined us for the day and I know a few of them were heading to Baker's of Milford to keep the fun going.

MG2022 is fast approaching and we are looking forward to the week-sounds like there will be a lot of participants and I admit that I did go ahead and order a set of the specially designed canned 4 packs of beer they were selling. We will try and get lots of pictures that Dale can choose from to put in the next newsletter.

Mad Dogs & Englishmen is set for the weekend of July 9-10th at the Gilmore Museum. It is always a fun day for the show on Sunday and there never seems to be enough time to check out all of the barns they have throughout the grounds, especially when they keep adding more-but it is well worth the drive.

Brits-in-the-Park Triple Play is back this year on Sunday July 17th at Victoria Park in Lindsay Ontario. The live car show will be featuring three marques: Triumph Spitfire, MG Midget and Lotus Elan. Awards will be given in numerous categories, and it sounds like a fun day is planned for all.

The June meeting for Wednesday the 8th will be in person at the Brass Pointe, so bring your cars out and join us. The Canadian side Natter and Noggin is scheduled for the following Wednesday June 15th at the Dominion House at 6:00pm.

Enjoy the coming prime driving months and as always stay safe and healthy!

The foremost club for British car owners in southeast Michigan and southwest Ontario.

Safety MG Fast!

Treasurer's Report

March-April 2022 Treasurer's Report
Submitted by John Magee, Treasurer, WDMGC

Summary: Hurray! Spring is here and with it weather suitable for little British cars. At last!

In treasury news I have a combined March-April report for you all. We had a few administrative expenses (Intuit, Zoom, and web hosting) but not surprisingly, the big expense was the fine hibernation party at the Garage. For the full event we've collected $620 in payments and spent $1,686.10, which means that we spent down our treasury by around a thousand dollars – $1,066.10 to be exact. It was 100% worth it to be able to gather again for our first hibernation event since before the Covid pandemic began.

Most especially I want to thank you all for the Founders' Award. It's quite an honor and was entirely a surprise to me. Honestly, had I known in advance I would've gotten a haircut, or at least worn a better shirt .It just goes to show that you can contribute to our shared MG hobby, even if you're a terrible MG mechanic with an unruly beard. Thank you, all!

May 2022 Treasurer's Report
Submitted by John Magee, Treasurer, WDMGC

Summary: In treasury news it was a quiet May. We deposited a few more hibernation party fees and one membership fee. We paid out a few routine expenses, plus $125 for the rental on Camp Dearborn for the Spring Gathering.

It was great to see a nice turnout for the Spring Gathering. Alas, my TD overheated after I got it all cleaned up for the party. Hopefully I'll have that sorted out soon. In the meantime, my B was ready and willing to ferry me to Camp Dearborn, despite some dusty cat tracks on the bonnet and its slightly leaky condition below. Fortunately, getting to see all the rest of your cars reminded me that leaky is not exactly unusual for our cars, so I felt I was in good company!

Michigan Advances Bill to Expand Historic Vehicle Usage to House Floor

Michigan has introduced SAN-supported legislation (H.B. 5882) to expand the usage of Historic vehicles by allowing vehicles to be driven without restrictions between Memorial Day weekend and Labor Day weekend. The bill declares this time period as “participation in an exhibition”. Currently, historic vehicles may only be used in participation for club activities, exhibitions, tours, parades, and similar uses with the month of August declared as an exhibition period. The bill passed the House Transportation Committee and now awaits consideration by the full House.

(*Editor’s note) The Club Newsletter generally does not publish articles political in nature, however some members suggested that this information would be beneficial to our Michigan members.*

Canadian Side WDMGC Club Natter and Noggin at The DH Wednesday May 18 at 6 pm

Our Club held our Canadian side meetings at The Dominion House years ago. Since that time, new owners have improved all things about the restaurant and it is quite nice.

The dinner is available at anytime , so you can arrive and eat at whatever time you choose. Weather permitting, we may even be able to sit outside on their large patio.

The parking lot is paved near the front end on the south side of the restaurant so feel free to drive your MGs.

INTRODUCING THE DETROIT CONCOURS D'ELEGANCE

Hagerty is excited to debut the inaugural Detroit Concours d'Elegance and its new dates, September 16–18, 2022. Building upon the Concours d'Elegance of America's four decades of excellence, the reimagined event finds its new home at the Detroit Institute of Arts in the heart of the Motor City.

The Detroit Concours d'Elegance is an all-new, weekend-long tribute to the people who designed, built, and drove American car culture, and to the vehicles at its heart. Held at venues throughout the city, complimentary and ticketed activities include new vehicle showcases, ride & drive opportunities, exclusive experiences, engaging seminars as well as Saturday's Cars & Community and Sunday's Concours d'Elegance.

"We're incredibly excited about the event's new home in downtown Detroit. Being there puts car lovers right in the middle of the thriving design, music and sporting culture of the Motor City," said McKeel Hagerty, CEO of Hagerty. "Concours weekends are about championing the fact that all cars are cool and some of them are just jewels that need to be celebrated. This event will honor the tradition of the concours, but also bring in new elements to provide on-ramps for future car lovers and families."

Tomorrow's announcement coincides with the reveal of a new Detroit Concours d'Elegance logo, a refreshed website in addition to the innovative schedule of events.

I want to sell my 1972 MGB. I have had it for 12 years and bought it on eBay in Maryland. I am now 73 and it is difficult to get in and out of it so I think it is time to put it on the market.

It has been garaged every winter and I have driven it around Ypsilanti and Ann Arbor. I bought it to drive it; not to restore it. It was newly painted Pale primrose when I bought it. It also had the battery moved to the front of the engine. I had a brace welded to carry a new Honda battery last year. It had been rewired and set up to play through large speakers (behind the seats) using your phone.) Carburetors (new) were taken out and replaced with rebuilt originals for the car.

Bought a new top when I got it and it is in perfect shape. It has new tires and rims I bought last summer. I have repair bills for all that was repaired (slave cylinder, window wiper, brakes). I did find a one-inch rip in the back of the driver's seat, though the springs are not good and I usually sit on a pillow or put one under the seat. A small rust spot on the rocker panel of the driver's door. I have the original key wrench for the knock-off hubs and an extra-long key as well. I have the tonneau cover too. I'm asking $6000. May Meeting at The Brass Pointe!

Wedsday, June 8

The Brass Pointe, Farmington Hills, Michigan
The restaurant hours are still not back to normal and it will close at 8:00 pm. Because of that, we'll start the brief formal part of the evening a little earlier at around 7:00 pm. As usual, we expect most people to begin to arrive around 6:00 pm.
We don't anticipate restaurant limits to restrict our numbers because the main restaurant is still not functioning at the allowed capacity and the room we use is considered part of the whole building.
