Pictures, Pictures, Pictures...

Can-Am Editor, John Magee

I didn't mean for this issue to turn into a photo album of MGs across Michigan and Ontario, but I had lots of pictures from folks and precious little written text. Instead of diligently writing up lengthy stories, I was spending my time trying to get my MGB back on the road before the snow flies. (It made it, ever so briefly!) So this issue has lots of pretty cars and people having fun with them and little text alongside. So be it.

Rick Astley has moved on to Wisconsin, but he left us a parting gift — his archive of his "On the Borderline" comics. We'll be presenting classic Borderline panels every month starting in this issue. Thanks, Rick!

We also have the debut of our new "Local MG Services" list in the ad section. And Jim MacArthur's back with logic puzzle! Can you beat our Puzzler?

John Magee, Editor

Left: Why, yes, that's me laying on the grass trying to reassemble the FUN MG's exhaust on the show field in Franklin. Thank you to Mike Mohn for the valiant assist! For a while I had the world's loudest MGB.

Presidentially speaking

Hello Everyone,

Vicki Bade - Club President

I am sad to say that we are reaching the end of the summer driving season-bummer. It has been a nice summer and I reluctantly look towards the soon to be fall season, although it is my favorite one. Can't beat the colors we get (when they do come out) and then there is the Michigan football season. Congrats to the Lions for winning their first game!!

Matt and I had a great time in Traverse City-some rain on the way over that reminded me once again that these wonderful old cars do leak in a steady rain LOL. No harm done-it's only water and we had towels. We spent Saturday out and about (as those who saw my Facebook post got to see) taking a lighthouse tour, meeting & feeding some Alpaca's, checking out the beach, sipping a little wine and cider to round out the day. The weather was perfect for all our adventures however, the rain did make a slight appearance again Sunday for the Alden car show. My first time there and it was a lot of fun. We did have a number of our club members there for the weekend, so it was nice to see our group! All in all, a wonderful weekend-I would enjoy doing that again.

We have the car show in Bronty Creek over in Canada next weekend-so another road trip! Looking forward to that one. Then the Grand Rapids day trip at the end of the month. Wow time is flying!!

Don't forget to let Philip Wiltshire know if you are joining the caravan for his Twisty Bits Tour in October-the flyer is in the NL. It will be a fun day-although as Philip reminded me you never know what kind of colors we will get in Michigan for the middle of October. We will keep our hopes up.

Our September meeting on the US side will once again be at Little Daddy's Wednesday Sept. 13th-hope to see you there and check out the Natter & Noggin the following week in Canada.

Be safe out there and get those cars out on the road as much as you can!

Treasurer's Report for the period of July 11, 2023 to September 10, 2023

It was a great summer for my family and I sailing in Harbor Springs. Now, as Robert Louis Stevenson said, "Home is the sailor, home from the sea."

U.S. Side Meetings

August

Our August meeting at Little Daddy's featured a good turnout in the parking lot and in the restaurant.

At Right: The fastest way to draw a crowd of middle-aged men is to utter these words, "I don't like the way that distributor is sitting in there."

September

The Brass Pointe owners have decided not to reopen following their fire. The location going forward is Little Daddy's, Southfield, on the SE corner of Northwestern Hwy and Inkster Road. If you have a suggested place we should try, please let Vicki Bade know. Thanks!

Alden Classic Sports Car Show—August 12 and 13

A strong contingent of club members braved the Friday afternoon thunderstorms to drive up to Alden for the annual Alden Classic Sports Car Show on the weekend of August 12 and 13.

The show included a cruise along the shores of Torch Lake on Saturday and the show itself on Sunday in Alden where more than 100 classic sports cars were on display in Helena Township Park.

Lee Jacobsen was the big winner at the show, as his blue 1939 MG TA Tickford Drophead won Best in Show. Lee also picked up a second place in valve-cover racing.

Ken Klemmer won the "British Car of Distinction" award for his 1930 8/33 Midget M-Type, a welcome bit of cheer after his M-Type failed to proceed to dinner following the cruise. (Rest assured fans of Ken's car, parts have been ordered, repairs are being planned, and "Wiggy" will be back on the road next year better and stronger than ever!)

A good time was had by all. If you find yourself with an urge to head north next August, check it out!

(Photos courtesy of Vicki Bade and John Magee.)

University Motors Summer Party Reunion, Aug. 18-19

Thank you to Lisa Zebarah Shears for all these pictures of the University Motors Summer Party Reunion in Grand Rapids, the first Summer Reunion Party in eight years. Famed MG mechanic John Twist hosted the revival of his summer parties to celebrate the 100th anniversary of MGs as well as his own 50th anniversary as an MG mechanic.

The event on Friday, August 18, and Saturday, August 19, drew a large crowd of MGs and MG owners from across the Midwest.

Woodward Dream Cruise—August 19

Top: Perry Zakucia took his B for the Dream Cruise up Woodward. He reports that there were lots and lots of fun cars. He also reports that he cooked his clutch's master cylinder in the stop-and-go traffic of the world's largest classic car traffic jam. Fortunately, he had the B back on the road and ready for the Battle of the Brits a couple of weeks later.

Middle: Wise newsletter editor John Magee brought his Jaguar and its automatic transmission to the Dream Cruise traffic jam. I didn't get many good British car photos, but I did catch this dandy Citroën 2CV.

Franklin Labor Day Festival

Below: Mike and Kim Mohn's 1952 MG TD and John Magee's 1975 MGB at the Franklin Labor Day Festival's car show, which attracted about 20 cars this year. There's no judging, but there is a parade and the best parking at the festival. Want to attend next year's show? Contact club member Ken Klemmer.

Battle of the Brits—Sunday, Sept. 10

More photos and a story from this year's Battle of the Brits at Camp Dearborn, Milford, are coming in next month's edition. Rest assured, there were more MGs than any other marque, even though nobody counts them up anymore. In the meantime, enjoy a few quick photos from the show, courtesy of Perry Zakucia, Lisa Zebarah Shears, and John Magee.

BREAKING NEWS: Detroit Concours Still Looking for Friday Evening Cars

The Detroit Concours has reached out to let us know that they are looking for more cars for their Friday evening Cars & Community event at the DIA on Friday, Sept. 22. In particular they report that they are looking for more British cars. If anybody from a metro Detroit area car club would like to apply to show their car they can do so through the Cars & Community Application link or contact Heide Otto at heideh.otto@gmail.com .

If your vehicle is selected you will need to arrive at pre-staging between 2:30 and 3 pm. There you will receive your entrant and guest credentials, a loading map, and instructions. The owner and one guest of vehicles selected for the event will be guests at the 2023 Welcome Party from 5-8 pm at Club Detroit in the DIA.

Tickets for the event for non-displaying attendees are available at Cars & Community ticket purchase.

Below: Ken & Melody Klemmer gave their 1930 33 Midget MG M-Type a vigorous drive on winding roads as they caught up to the Alden Classic Car Show Saturday Cruise.

Matt & Vicki's Grand Rapids Road Trip

Date: Sunday September 24th
Time: Meet at lot at 8:30am to leave by 8:45am
Destinations:

- The Frank Lloyd Wright House-Grand Rapids
- The Downtown Market

This trip is limited to the 1st 18 folks who RSVP to Matt's email at mattbade51@gmail.com or call him at 586-291-8043.

We are planning a road trip that will start out at the Target parking lot at the NW corner of M-59 and Old US 23 (have a full tank of gas) then take 2 lane roads to the Meyer May (Frank Lloyd Wright) house in downtown Grand Rapids for a tour of the house beginning at noon.

We will have the house to ourselves for the tour and after a 30 minute movie on the history of the house they will take us in 2 groups of 10 people each on the tour.

At 1:30pm, we will drive about 5-6 blocks west to the downtown market for lunch-they have multiple restaurants in the market, so you will have plenty of places to choose from and there are a number of small markets to choose from for shopping.

When everyone is ready to head back home, we will go back the way we came or you can get on eastbound I-96 and take the faster route, if you prefer.

THE TWISTY BITS TOUR

Sunday October 15th, 2023

Organized by Philip Wiltshire

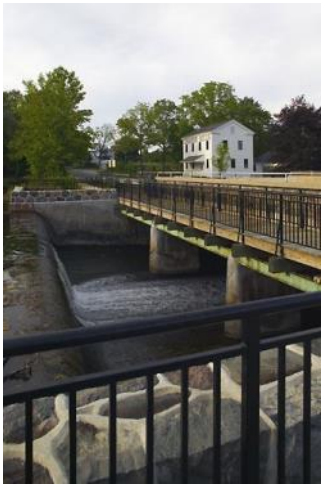
We start at 11.00 am at Meijer's parking lot on the Ann Arbor-Saline Road, just southeast of I94 at exit #175.

We will drive about 50 miles around some nicely curved roads. All roads are paved, although some might be classed in the "uneven pavement" category. We will drive through much of the German-settled area of southeast Michigan, plus see some small lakes and two small towns typical of the area.

We will stop halfway through the tour at the historic and restored 1835 Sharon Mill and participate in a picnic lunch. Bring your hamper lunch from home or purchase something just prior to leaving the Meijer's lot. Open up your wicker picnic hampers and enjoy a splendid hour sitting on the grass at the mill and checking out the mill's history. A modern rest room block is attached to the mill.

After lunch, we will continue through the countryside for another 50 miles, ending up back at the Meijer's lot.

The tour distance is 101 miles, and we should finish around 4.00 pm.



Please call Philip Wiltshire at 574 202 8919 or e-mail me at pwiltshire@comcast.net with any questions or to let me know that you intend to drive along with us.

This is a joint W.D.M.G.C and JAGM event.

This month's MG Logic Problem by Jim MacArthur

LOGIC PROBLEM – HARD LUCK HENRY

Henry has been driving his 1968 MGB since Richard Nixon was President. Although he loves his car, he doesn't love it enough to do any maintenance on it. He says he's mechanically inept (which he is), but everyone also knows how frugal (cheap!) he is too. Henry is such a lovable character though, and our club members are always willing to help him. It's a good thing too, because last week his car broke down five days in a row. Fortunately, he carries a cell phone and the WDMGC membership directory with him, so five different members came to his rescue. From the information provided, can you determine which day his car broke down, what problem he had, what street he was on, and who came to his rescue?

This chart is to help you record information from the clues as well as the facts you deduce by combining information from different clues. I suggest you use an "X" for a "no" and a dot for a "yes".

(1) On Thursday Henry called a female member (who wasn't Dawn) to say he was stranded on Kennedy Dr. Marty helped him on Wednesday, and his fuel pump quit working on Tuesday.
(2) The member who helped Henry on Fairview Blvd, the woman who helped him the day his fan belt broke, and Nancy helped Henry on Monday, Tuesday, and Wednesday in some order.
(3) Henry's MG had a flat tire at least two days before it left him stranded on Main St.
(4) Henry didn't drive on Dougall Ave. on Monday. Friday wasn't the day that his muffler fell off.

1980 MGB, $9,500

Purchased the car April 2021 from 2nd owner for $7,700. I have spent approximately $5 k in seals, gaskets, brakes, muffler, starter, water pump, thermostat, etc. About the only area that i have not addressed is the convertible top, it has a couple of small tears, but very functional and looks great. Car is currently in Charlevoix at our summer place, as I only drove it up here, & kept it in a heated garage during winter months. If we find someone willing to buy, I will trailer it down to the Detroit area. Asking for no less than $9500. Contact Bob Wiedmaier, cell: 734-355-5356 or at wiedmaierrobert@gmail.com (July 2023)

He's a retired GM guy who just put his house on the market today and would rather sell the MG than see it in storage. (810) 287-6140. (June 2023)

1975 MG Midget, $5,100

I have a 1975 MG Midget with approximately 42,000 miles on it. Purchased about 20 years ago. Driven for several years (just around town) but has been in our garage for the last several years. Recently put new rear brakes and clutch cylinders on. However it has not been started in nearly 2 years (so probably needs a tune up/ engine work). The car itself is in great condition. Please reach out with any questions. Thank you for your consideration.
