Good heavens, there's a lot going on this year!

Can-Am Editor, John Magee

As I began preparing this month's edition of the Can-Am Connection I came to an unfortunate realization. Although I had been gathering 2024 event information over the last few months, I hadn't been ***organizing*** event information over the last few months. So, a more complete 2024 calendar remains a work in progress, but rest assured there's an MG and/or British car event out there for everybody this year, and hopefully the list on Page 6 will give you all a starting point.

Speaking of events, the club is still on the lookout for an events coordinator. It's probably the most fun gig of all the officer positions, and yet it's gone unfilled for ages. Remember, you don't need to actually put on all the events. You just need to help make sure everything runs smoothly and that we do have a volunteer running the actual event.

There's an upcoming need for somebody right now: we need a Rally Master for the Kimber Drive out to Holt, Michigan, on

Spring is springing already out there folks. So wake those MGs out of the slumber and get ready to hit the roads!

Presidentially speaking

Hi All,

Vicki Bade - Club President

I hope everyone is doing well during this crazy winter we are having. Matt and I headed to Florida to visit a friend recently and saw that it was almost 70 degrees one of the days that we were gone-go figure. Matt said at this rate he won't need to put the MG in hibernation for the season, he can just leave it in the garage and his Charger in the driveway. My expensive snow tires certainly didn't get much use.

We have our Hibernation Luncheon coming up on the 17th-looking forward to a nice day. See you there.

Our February US meeting was a smaller group, but we were able to ratify the board members that were voted on for 2024. Thank you to everyone and I am honored to continue to serve as your President for another year along with Dale Brown as Vice President and John Magee as Secretary. Our Treasurer position still needs to be filled, but we will carry on until we can get someone in place. Please consider helping your club by volunteering-it is an important position but, has been streamlined the last few years and is not a time-consuming job.

I have recv'd word that the Kimber Birthday Lunch will be held on Sunday April 13th at the Delhi Café 4625 E. Willoughby Rd in Holt MI. A section at the South end of the café parking lot will be marked off for everyone to park, giving a nice photo op of those that bring their classic cars that day. We do not have a planned caravan for the event, but if anyone would like to put something together let us know and we will get the word out.

I know we are all looking forward to this year's driving season and we will be putting some new things on the schedule along with some old favorites, so keep an eye on the calendars on the website and in our newsletters for coming attractions.

This month's meeting on the US side will again be at G. Georges, but will be moving to Craft Breww City in Farmington Hills starting in April as we will need more space in the coming months. We thank the staff at G. Georges for taking good care of us these past winter months. Join us there Wednesday-maybe even in your MG as the weather is predicted to be on the mild side again.

Stay safe-see you out and about!

Vince's Vinsetta VaVoom — Vinsetta Garage in Berkley, MI

Club members who can't make the Kimber Run to Holt, Michigan, are invited to celebrate Cecil Kimber's birthday at Vinsetta Garage restaurant, in Berkley on Woodward Avenue. The man who designed the MG was born on April 12, 1888.

On Saturday, April 13, Vinsetta Garage has made their private dining room available to members of the Windsor Detroit MG Club. All food and beverages will be ordered by guests off the menu, with a $30 minimum. Seating is very limited so please R.S.V.P. early if you would like to attend.

There are a few parking spaces out front for cars, so weather permitting, we will be able to show off the handy work of a design genius and enjoy some time with club members.

Lunch is scheduled for 12:00-3:00 on Saturday, April 13, 2024, the same day as the Kimber Run to the Delhi Café in Holt.

April Trivia Event

If you like MGs and like trivia, you'll love the WDMGC Trivia event at the April meeting organized by Vince Lacroix.

The April 10 meeting will be at Craft Breww City in Farmington Hills. Following the parking lot tire kicking, dinner and meeting, we will take time to play a trivia game. There will be cash prizes and someone will go home with the "Silver Cup" club trophy.

Follow meeting announcements for details.

EVENTS! EVENTS! EVENTS!

Holy cow, there are a lot of events coming up in the first part of 2024! Your intrepid reporter spent a good deal of time sorting them out, and needs to spend a good deal more time before the next newsletter getting the rest of the 2024 events in order.

In the meantime, here are some events you might wish to put on your personal MG calendar if you haven't done so already. In addition to our regular Windsor-Detroit MG Club monthly meetings — the 2nd Wednesday of the month on the US side and the 3rd Wednesday of the month for the Canadian Natter and Noggin — our club is hosting its Hibernation Party this Sunday, March 17, and our annual Spring Gathering at Camp Dearborn on Saturday, May 18.

Additionally, for those who aren't making the annual run out to Holt, Michigan, for the Rowdies' Cecil Kimber Birthday Lunch on April 13, our Treasurer Vince Lacroix is rounding up a lunch closer to Detroit and Windsor at the Vinsetta Garage in Berkley.

The annual NAMGBR gathering is early this year, late April in Katy, Texas. Undoubtedly this was a very good decision to beat the mid-summer heat in Texas. There's an especially large Gathering of the Faithful (GoF) Central brewing in June with the addition of the NAMMR national and NAMGR regional meets.

And as we head into high summer, Mad Dogs & Englishmen is slated to turn up the heat on the 2nd Sunday in July at the Gilmore Car Museum.

I'll round up the rest of the special-event calendar in time for the April newsletter. But it sure looks like something for everybody this year!

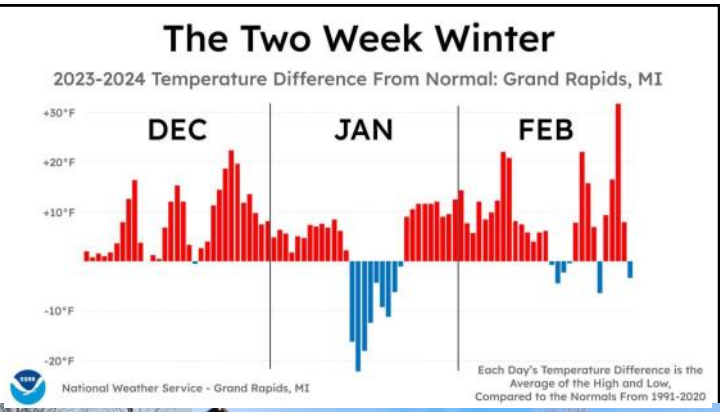
MIDWINTER MGs!

A record warm winter in Michigan and southern Ontario left the roads free of salt and led several club members to take their cars for a rare mid-winter spin. Thank you to club members Arayan Lias (top/left three photos) and Eric Graettinger (lower right) for sharing their adventures on our club's Facebook group page!



Windsor or Florida?

Club VP Dale Brown also took advantage of the splendid winter to take his ’72 B for a spin around Windsor on January 1, the first New Year’s Day drive he’s taken since he was in Florida seven or eight years ago.

The Kimber Run is on! Who wants to lead the parade?

Good news: The annual Kimber Run is **on**!

Bad news: We do not yet have a Rally Master to lead us out to the Delhi Café in Holt, Michigan. Without somebody to lead us to the promised land of the Delhi Café and the birthday gathering sponsored by the Michigan Rowdies, I'm likely to end up in Kalamazoo or Toledo or worst of all … Indiana! Don't let me miss out on my slice of mid-Michigan Kimber birthday cake!

The club is looking for somebody to take the lead. Traditionally we have departed the Meijer's parking lot at 8 Mile and Haggerty at 9 am and stopped to pick up more cars at the Sunoco station on the SE corner of North Territorial and US 23 by 10 am. If you think you have what it takes to be our Rally Master — and it doesn't take much, honestly! — please contact Vicki Bade to volunteer.

The event: The Cecil Kimber Birthday Party, hosted by the Michigan Rowdies
When: Saturday, April 13, 11:30 am-3 pm
Where: Delhi Café, 4625 E. Willoughby Rd, Holt, Michigan.
How will we get there? We don't know!

Below: One more photo of Dale Brown's 1972 MGB on its amazing January 1 tour of Windsor, Canada!

The 2024 Hibernation Party Is Coming on March 17!

Our annual hibernation party will be at Wixom Station (49115 Pontiac Trail, Wixom, Michigan) on Sunday, March 17, from Noon to 3 pm.

In honor of St. Patrick's Day it might be best to refer to your green MG as Emerald Isle Green for the day instead of British Racing Green. RSVPs have already closed, so we'll see those of you who replied on Sunday!

ECC Cars and Coffee—April 13th & May 11th

The first two scheduled dates for this popular monthly drive-in car show are Saturday, April 13 and Saturday, May 11. The location is near the intersection of Beck Road and 5 Mile Road in Northville Township.

chances to get your car out in the spring; last year quite a few of us were in the massive crowd that braved 30 degree temperatures when the show opened around 9 am.

The show offers car clubs the option to park together in "Kar Korrals." JAGM took advantage of this opportunity in last year's shows, and we'll look to do so again this year. The April show is one of the earlier

The Cars and Coffee organizers are still working out details, so we'll have more detailed information in the April Indicator, but this is another fun event to put on your calendar.

Thank you to Leonard Lewis for sharing these photos of your MG TD kit car at Autorama on our club's Facebook group page. Debate persists about where MG kit cars fit in the MG legacy. But there's no denying the care and love with which Leonard presents his car.

This excellent example also made an appearance at the car show the evening before 2023's Detroit Concours. So keep an eye out for it at future events and say hello to Leonard if you get a chance!

An Invitation from Our Friends at JAGM: Port Huron Museums & Poker Rally, April 28

On Saturday, April 28 we will be taking another step back in time. I bet you didn't know that there were four Maritime Museums in Port Huron. I didn't know it either until recently. We will hit the road, quickly see all of them, gamble a bit on the way and after you have committed a half a tank of gas, we will stop for a nice meal.

Meet at the first museum at 10:00 AM right when they open for the day. We'll try to avoid all the crowds. They open for the season on April 1. Consider this a Spring Drive, possibly the first one of the new year. Time to blow out the mouse nests.

The four museums that we will visit in order, South to North:

1. Fort Gratiot Light Station, 2802 Omar, Port Huron, MI. 48060, 810-216-6923.
2. The Carnegie Museum, 1115 Sixth Street, Port Huron, MI. 48060, 810-982-0891.
3. Huron Lightship Museum, 800 Prospect Place, Port Huron, MI. 48060, 810-984-9768.
4. Thomas Edison Depot Museum, 510 Edison Parkway, Port Huron, MI. 48060, 810-455-0035.

Next we will have lunch at Lynch's Irish Tavern, 210 Huron Ave, (Main Street) Port Huron, MI 48060, 810824-4021. Have you ever heard of an Irish Tavern that is not a fun place on a weekend afternoon?

Plug all these addresses into your GPS unit, whether that is part of your car or on your phone. The distance between all the stops ranges from 1.5 miles to 59 feet. Try not to get lost.

We will spend about 45 minutes at each of the museums and move on. I will try to arrange a docent-led tour at each. Then we will proceed to the restaurant. At each of the five stops, each car will receive a poker card, from 5 different decks of cards. At the restaurant, we will compare poker hands to determine the poker winner. With 5 decks of cards, it is possible to have some unusual hands and several versions of them. To break ties, we will use the ranking of suits in official US poker rules. I-Spades, 2-Hearts, 3Diamonds, and 4-Clubs. For the winner, we are trying to negotiate one month's use of a reconditioned (almost new) Jaguar or Land Rover vehicle. I'll let you know how the negotiations work out. In the event that a slightly used Jaguar car is not available from the dealer for the winner, we need a back-up plan. There will be an entry price of $20 per car and all that will be returned as the winning pot to the best poker hands.

This rally has no time constraints or challenging directions. This past Fall, they suspended the admission price for all the museums and that should still be in effect in the Spring. Donations would probably be appreciated.

This is Springtime in Michigan. We will go rain, cloudy or sunshine. Bring whatever car you are comfortable in driving that day. There will be a detailed brochure and a Bing Map routing available on the www.JAGM.org website so you can take an advance look at where we are going if you care to. Otherwise, just trust me. Have I ever steered you wrong?

Please turn your poker cards in at the restaurant. There will be another Poker Rally coming up later in the Summer through Shelby and Washington Twp.

The purpose of the Club is to bring nice people together for a bit of enjoyment and companionship. Feel free to invite your family, friends, and neighbors.

The Windsor Detroit MG Club and GMC Corvette Set Clubs are welcome to join us for the day. The more the merrier. You will have to RSVP to the www.JAGM.org website a week before, so I can pass on an estimated head count to all the stops.

Octagonal Time in the Heart of Ohio — Newark, Ohio June 17th-21st, 2024
North American MMM Register (NAMMMR) national meet
North American MGA Register (NAMGR) regional meet

The Ohio Chapters of the MGTs and the BuckAyes of NAMGAR invite ALL MGs and their owners to have an Octagonal Time in the Heart of Ohio at the Cherry Valley Hotel in Newark, Ohio June 17th-21st, 2024. Why will it be an Octagonal time? One reason is that the hotel has been built in the shape of two octagons, our favorite shape! The Cherry Valley Hotel is located between Newark and Granville; it is in the Best Western Premier Collection. These small communities are surrounded by many superb MG roads. Including Athens County's Windy 9, meant to be driven by our MGs. During this event the NAMMMR will hold its national meet and NAMGAR will hold a regional meet. There are plenty of things to see and do, it will be an MG Gathering of the Faithful you won't want to miss! MG is the Marque of Friendship.

This month's MG Logic Problem by Jim MacArthur

LOGIC PROBLEM – BANGERS AND SMASH

Bangers And Smash is a new go-kart track in town with an added twist - bumper cars! The go-karts are equipped with bodies that look like old 1950s British cars, and have rubber bumpers all the way around them for protection. " Safety Fast"! Drivers are encouraged to throw the rule book out the window and drive like maniacs! Needless to say, our fun-loving WDMGC group had a great time racing and banging into each other. Everyone wore helmets, no one got hurt, and we all enjoyed ourselves immensely. Let's do it again!

From the following information, can you figure out which member drove which car (kart), what color helmet they wore, and what the number of their kart was?

(1) The member who wore the purple helmet drove the kart with the Jowett body. Mark chose kart number 5.
(2) The driver of the Sunbeam bodied kart wore a white helmet. Wendy chose kart number 1 because she liked the look of it's Riley body.
(3) Cindy wore a red helmet, while the driver of the Singer bodied kart (who didn't wear the yellow helmet) chose kart number 2.
(4) Rob chose kart number 3 (which wasn't the Sunbeam kart).

This chart is to help you record information from the clues as well as the facts that you deduce by combining information from different clues. I suggest that you use an "X" for a "no" and a dot for a "yes".
