Can-Am Editor, John Magee

The editor was willing. The laptop was willing. Even Microsoft Publisher was willing. Alas, the wifi at the motel Monique and I stayed at was not willing. So instead of a newsletter slaved over during a week's vacation, you have something mostly cobbled together in a coffeeshop during a rainy afternoon. And instead of composing a brilliant editor's note filled with wit and wisdom, I'm going to do what any smart editor would do under these circumstances and fill the space with a pretty picture from our April meeting at Craft Breww City. (Right)

Should you expect better of me in June, now that the driving season is upon us?

Probably not.

But let's all get out there and drive while the weather is willing!

Presidentially speaking

Hi Fellow Club Members,

Vicki Bade - Club President

I cannot believe that it is May already-where does that time go? I hope everyone has gotten their cars out of hibernation and are ready to get out and about.

Matt and I had a lot of fun doing the Port Huron Museum/Poker Rally with the members of the Jaguar and Corvette Clubs-sorry we didn't see more of our club members join in, but they are going to be doing another rally later this year.

I also had the pleasure of joining Gary & Ellie Hillebrand from the Jaguar Club on an overnight drive last weekend to South Haven where we went over to the Gingerman Raceway. We were able to take our cars out on the track for about 30-40 minutes of laps with other drivers during the lunch break. The Fiat was a champ-what a blast!

Sounds like both the Kimber Birthday Lunch and Vince's Vinsetta VaVoom events were hits-Matt and I had a great time at the Vinsetta lunch, and it looks like they had a good group for Kimber.

We tried out our new meeting place-Craft Breww City for the US monthly meetings last month and it worked out great. We had a portion of their private room to our-selves and Vince ran our quiz as promised with the traveling trophy going to our first winner-John Magee. We also gave out some cash prizes. We will be using this place for the summer and perhaps beyond, so come out and join us. Vince will have another quiz for us and it's nice that we don't have to worry about them closing early.

The Spring Gathering is next up on Saturday May 18th at Camp Dearborn, so come out and meet with your fellow car enthusiasts. We will be providing some food and are asking people to bring a dish or just a little something to add to the table. It is in our usual spot-hope to see you there. The British Car Corral is the next day at Baker's of Milford at 2:00pm and I'm told you want to get there early to have a chance to park-the Jaguar Club will have some spots marked off.

Let's get those cars out and get this driving season started!

Vince's Vinsetta VaVoom — A Banner Day for Bs

Our April visit to Berkley's Vinsetta Garage was a great time.

With perfect weather, we filled the private dining room with nineteen people who arrived in various cars. Most importantly, we showed beautifully with the front six parking spaces filled with MG Bs.

Members enjoyed lunch and we sang "Happy Birthday" to designer Cecil Kimber.

Thank you to all club members, faces familiar and new, who made this a perfect Saturday afternoon.

Kimber Run to the Delhi Café Is the First Drive of the 2024 Season!

Story and photos by John Magee

MG owners and enthusiasts from across Michigan gathered at the Delhi Café in Holt, Michigan, to recognize the birthday of MG Motor Co. founder Cecil Kimber and to celebrate the celebrate the arrival of Spring and the little British car driving season.

Windsor-Detroit formed a small caravan under the sage guidance of Guy St. John and zipped out on an assortment of roads.

(At least, I assume Guy was leading the parade. Alas, your fearless correspondent encountered another Michigan springtime tradition, orange barrels and detours, and missed the caravan. Fortunately, both the FUN MG and I arrived safe and sound and ready to enjoy a tasty lunch, fine conversation, and some yummy birthday cake.)

Hurrah for the season opener!

Port Huron Poker Rally with the Jaguar Club

Story and photos from Vicki Bade

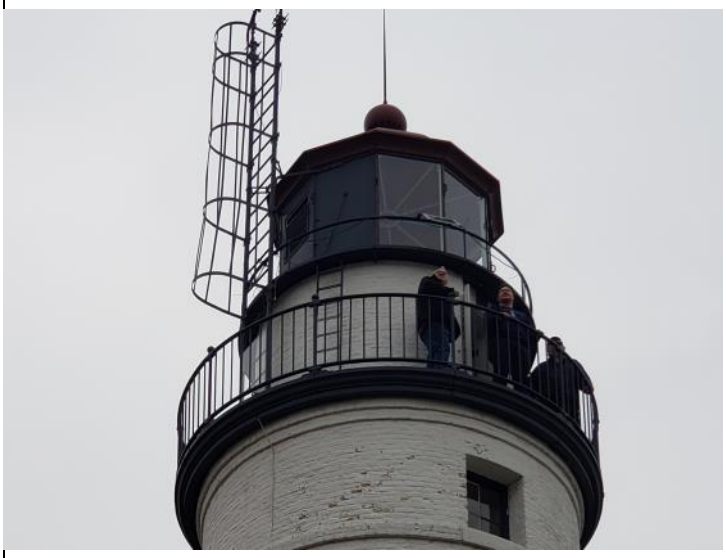
The event started a little soggy when we stopped at the first leg of the trip to tour around the Fort Gratiot Light Station. We had a nice mix of people from the Corvette and Jaguar Clubs along with Matt and I from our club. Philip Wiltshire and his wife Jan came in from Indiana the night before to join us, so they get the long-distance award. We had a very nice guide as we took in the sights and checked out the lighthouse. Some of the more adventurous among us went up the curving staircase and had the full tour.

We hit the Carnegie Museum next-they had a whole Barbie exhibit along with a very interesting mix of many other items on 3 levels to check out.

The Huron Lightship Museum on the actual lightship was my favorite and a very cool tour-I wish we had a little more time at that stop as our guide was a wonderful source of knowledge on the history of the lightships.

The final stop was at the Thomas Edison Depot Museum with one of the actual train cars and a lot of wonderful history on Thomas Edison and his life.

Port Huron Poker Rally (Cont.)



The sky had brightened up as we went from stop to stop and it turned out to be a pretty nice day for tooling around. We ended up at Lynch's Irish Tavern where we picked up our last poker card and had a great lunch. Matt and I had a pair of tens and recouped the $20 we put in at the start, with our lead Bob winning the top prize with a pair of aces.

Lots of fun was had by all-Philip and I took some pics and the Jaguar Club is planning on another event like this later

SUMMERTIME EVENTS!

Here are some events you might wish to put on your personal MG calendar if you haven't done so already. In addition to our regular Windsor-Detroit MG Club monthly meetings — the 2nd Wednesday of the month on the US side and the 3rd Wednesday of the month for the Canadian Natter and Noggin — our club is hosting our annual Spring Gathering at Camp Dearborn on Saturday, May 18.

The season was already off to a good start with the Kimber Run, Vince's Vinsetta VaVoom, and the NAMGBR meet in Katy, Texas, all in April. Looking forward into June we'll see The British Return to Fort Meigs on Sunday, June 2, in Perrysburg, Ohio. The Motor Muster fires up a Greenfield Village on the Weekend of June 15-16. There's an especially large Gathering of the Faithful (GoF) Central brewing in June with the addition of the NAMMR national and NAMGR regional meets.

And as we head into high summer, Mad Dogs & Englishmen is slated to turn up the heat on the 2nd Sunday in July at the Gilmore Car Museum. August and September events include the Alden Sports Car show, the University Motors Reunion, the Franklin Roundup on Labor Day, and the Battle of the Brits. And watch this space for even more!

The first two scheduled dates for this popular monthly drive-in car show are Saturday, April 13 and Saturday, May 11. The location is near the intersection of Beck Road and 5 Mile Road in Northville Township.

chances to get your car out in the spring; last year quite a few of us were in the massive crowd that braved 30 degree temperatures when the show opened around 9 am.

The show offers car clubs the option to park together in "Kar Korrals." JAGM took advantage of this opportunity in last year's shows, and we'll look to do so again this year. The April show is one of the earlier

The Cars and Coffee organizers are still working out details, so we'll have more detailed information in the April Indicator, but this is another fun event to put on your calendar.

Camp Dearborn
1700 General Motors Road, Milford, MI 48380

The Windsor-Detroit MG Club is proud to sponsor the 12th Annual Spring British Car Gathering & Picnic at Camp Dearborn in Milford, MI.

No registration, no formal car show or class parking, and no awards; just an opportunity to share our passion with fellow British car owners and clubs, and to get to know one another.

We have reserved a large, well shaded area that is to the right just inside the entrance, behind and down the hill from the office-the area called Evergreen. **There is an entrance fee to the park.** Cars will be parked on pavement so not to worry about wet or soft ground. We have use of a picnic shelter and nearby restrooms.

WDMGC will supply fried chicken, potato wedges & water bottles-please bring a dish to pass and your own chair(s). You may also bring your own food/drink-no alcohol is allowed in the park.

BOOT SALE

Have some spare parts, tools, etc. that are cluttering your garage? Bring them along and offer them for sale from the boot of your car. We are not looking to host a full blown swap meet, so please no trailers full of stuff. Whatever you can get in your car or bring pictures of larger items that you want to sell.

Octagonal Time in the Heart of Ohio — Newark, Ohio June 17th-21st, 2024
North American MMM Register (NAMMMR) national meet
North American MGA Register (NAMGR) regional meet

The Ohio Chapters of the MGTs and the BuckAyes of NAMGAR invite ALL MGs and their owners to have an Octagonal Time in the Heart of Ohio at the Cherry Valley Hotel in Newark, Ohio June 17th-21st, 2024. Why will it be an Octagonal time? One reason is that the hotel has been built in the shape of two octagons, our favorite shape! The Cherry Valley Hotel is located between Newark and Granville; it is in the Best Western Premier Collection. These small communities are surrounded by many superb MG roads. Including Athens County's Windy 9, meant to be driven by our MGs. During this event the NAMMMR will hold its national meet and NAMGAR will hold a regional meet. There are plenty of things to see and do, it will be an MG Gathering of the Faithful you won't want to miss! MG is the Marque of Friendship.

This month's MG Logic Problem by Jim MacArthur

LOGIC PROBLEM – BANGERS AND SMASH

Bangers And Smash is a new go-kart track in town with an added twist - bumper cars! The go-karts are equipped with bodies that look like old 1950s British cars, and have rubber bumpers all the way around them for protection. " Safety Fast"! Drivers are encouraged to throw the rule book out the window and drive like maniacs! Needless to say, our fun-loving WDMGC group had a great time racing and banging into each other. Everyone wore helmets, no one got hurt, and we all enjoyed ourselves immensely. Let's do it again!

From the following information, can you figure out which member drove which car (kart), what color helmet they wore, and what the number of their kart was?

(1) The member who wore the purple helmet drove the kart with the Jowett body. Mark chose kart number 5.
(2) The driver of the Sunbeam bodied kart wore a white helmet. Wendy chose kart number 1 because she liked the look of it's Riley body.
(3) Cindy wore a red helmet, while the driver of the Singer bodied kart (who didn't wear the yellow helmet) chose kart number 2.
(4) Rob chose kart number 3 (which wasn't the Sunbeam kart).

This chart is to help you record information from the clues as well as the facts that you deduce by combining information from different clues. I suggest that you use an "X" for a "no" and a dot for a "yes".
