The One That Sort-Of Got Away

Can-Am Editor, John Magee

Last Fall Ken Klemmer tried to talk me into buying a nice 1931 MG D-Type that he saw listed for sale. There were two excellent reasons he thought I should buy it:

1. It has a small back seat perfect for bringing along a dog.
2. Ken thinks that *everybody* needs a pre-war MG or two in their garage. He's not entirely wrong.

Alas, a brief inventory of my overcrowded garage, my full driveway, and my depleted bank account led me to conclude that I shouldn't buy a 1:32-scale MG, much less a full size one. Fortunately, there's a happy ending because in trying to convince me that I should buy the car, he somehow managed to convince himself that he should buy the car. And so he did.

This was a good development all around. While I am the world's slowest mechanic, Ken got right to work on the D-Type sorting out various issues and getting it ready to go out in the world this spring. This meant we all got to see it at our May meeting and at the Spring Gathering! I even got to sit in it, look down the bonnet, and be happy that I wasn't the one who had to find 1931 MG parts!

Now I just have to convince Ken to bring Benny Beagle along for a ride to the next event, just as soon as I find Benny some doggles (goggles for dogs.)

Hello Everyone,

Vicki Bade - Club President

It is June-summer is in full swing and of course I still don't have my flowers & veggies in yet. It is currently a work in progress and one that I will manage to get done before mid-June one of these years.

The Spring Gathering was a success! I think we had the best weather day start to finish that I can ever remember and a great turnout. Thank you to all of those that were able to join us and thanks for taking some of the leftover food home, so Matt and I were not trying to eat 50 pieces of chicken ourselves LOL.

Fran and I took in the 25th anniversary of the car show at Fort Meigs and despite the rain on the ride down it was a nice (and dry) show with a lot of excellent cars to check out.

Our new digs for the US side monthly meetings seem to be working out well and we will be continuing to go there until further notice. JP McGraw came over from Canada and joined us fresh off his 2nd place win in his class at the NAMGBR meet in Katy, TX. He let us know Tim and Nancy Shaw's 1961 Midget took a first in class in Katy! The quiz fun continued and thanks to John Magee for filling in for Vince-going old school with an interesting set of questions and a new trophy winner that just happened to be a new member WooHoo! We will have a new quiz and chance at the trophy this month-so bring your cars out and enjoy the evening.

Dale put some pictures up on the Facebook page showing a very good turnout for the May Natter & Noggin with some of the US members making the trek over. Feel free to join our fellow members on the Canadian side this month to enjoy the cars, company and dinner.

Keep an eye on the calendar for upcoming events and chances to get your cars on the road-people love to see them!

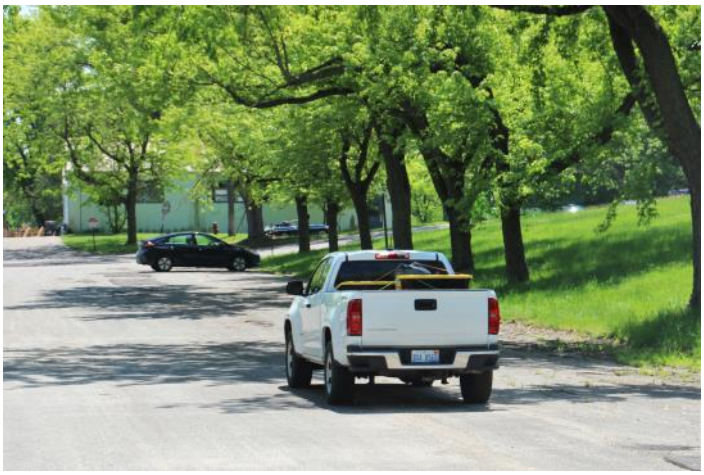
Vince's MG Drive of the Month

Kelly and I took our 1970 MG B, which has just had the engine rebuilt by Guy Saint John on a beautiful drive to Empire, Michigan. My nephew had his wedding performed on the scenic overlook at the Sleeping Bear Dunes National Park. Our B lapped up the hills on Pierce Stocking Drive and was a show -stealer when we arrived.

The bride was forgiving, once we offered her a ride. Many happy miles to Matt and Sarah.

Thank you Guy, for the great work on Beatrix.



Left: Vince prepares to depart the May gathering for the wedding, prepared for a delightful convertible drive across Michigan.
Right: Kelly is a sensible woman who follows in their chase vehicle to be sure they get to the wedding.

Spring Gathering is a Smash Hit!

Report by John Magee

“Now it is a strange thing, but things that are good to have and days that are good to spend are soon told about, and not much to listen to; while things that are uncomfortable, palpitating, and even gruesome, may make a good tale, and take a deal of telling anyway.” — J.R.R. Tolkien

“The weather was great. Everybody’s cars looked great. The fried chicken and pot luck picnic lunch was great. We all had a great time!” — John Magee

British Return to Fort Meigs 25th Anniversary

(Photos and story courtesy of Vicki Bade)

Fran Lewis and I set out on a girl's trip to Fort Meigs in her Mini, as her MGC needs some TLC. It was a good car for the day since it was raining lightly the whole way down.

Due to the rain they had to move the cars to the paved parking lot, so unfortunately the groups were not intact for judging. Despite the conditions there was a good turn-out of cars and a nice variety to peruse-fortunately the rain had let up and although the clouds stuck around it did manage to remain dry for the show. We did see a few other members of the club in attendance-Gary Decker & Shelley MacMillan brought their LE (looking very spiffy) and Chuck Wiley made it.

I will say our friends in the Jaguar Club were well represented with 6 cars and a good number of other Jags on hand as well. We did not stay for the awards portion and I do not see the winners listed on their site as of yet, but we had a good time and enjoyed the day!

Michigan Passes Law to Permit Historic Plates on the Road All Summer Long!

Great news for all of us who drive a car in Michigan on a historic-vehicle registration! In April Governor Whitmer signed into law a bill to expand the driving exemption for historic vehicles from August to include the entire period from Memorial Day Weekend through Labor Day. These cars may now be driven for any purpose.

The change in law has been enthusiastically welcomed by classic car drivers of all marks, a few of whom may have pushed the boundaries of the restrictions the rest of the year. (Nobody in our club, I am sure.)

Vintage cars with historic registrations should still only be driven for display or mechanical purposes the rest of the year.

The change in law came after persistent lobbying by classic car enthusiast John Russell of Traverse City, Michigan. Thank you, John Russell, from all of us!

Right: Club member Arayan Lias wasted no time in slapping a 1973 plate on his MGB.

Octagonal Time in the Heart of Ohio — Newark, Ohio June 17th-21st, 2024
North American MMM Register (NAMMMR) national meet
North American MGA Register (NAMGR) regional meet

The Ohio Chapters of the MGTs and the BuckAyes of NAMGAR invite ALL MGs and their owners to have an Octagonal Time in the Heart of Ohio at the Cherry Valley Hotel in Newark, Ohio June 17th-21st, 2024. Why will it be an Octagonal time? One reason is that the hotel has been built in the shape of two octagons, our favorite shape! The Cherry Valley Hotel is located between Newark and Granville; it is in the Best Western Premier Collection. These small communities are surrounded by many superb MG roads. Including Athens County's Windy 9, meant to be driven by our MGs. During this event the NAMMMR will hold its national meet and NAMGAR will hold a regional meet. There are plenty of things to see and do, it will be an MG Gathering of the Faithful you won't want to miss! MG is the Marque of Friendship.

SUMMERTIME EVENTS!

Here are some events you might wish to put on your personal MG calendar if you haven't done so already. Our regular Windsor-Detroit MG Club monthly meetings are the 2nd Wednesday of the month on the US side and the 3rd Wednesday of the month for the Canadian Natter and Noggin.

Coming up in June the Motor Muster fires up a Greenfield Village on the Weekend of June 15-16. There's an especially large Gathering of the Faithful (GoF) Central brewing in June with the addition of the NAMMR national and NAMGR regional meets. And this month's edition of the British Car Corral hosted by JAGM at Baker's of Milford is on Sunday, June 23.

And as we head into high summer, Mad Dogs & Englishmen is slated to turn up the heat on the 2nd Sunday in July at the Gilmore Car Museum. August and September events include the Alden Sports Car show, the University Motors Reunion, the Franklin Roundup on Labor Day, and the Battle of the Brits. And watch this space for even more!

Some upcoming 2024 MG Events this Summer

This month's MG Logic Problem by Jim MacArthur

LOGIC PROBLEM – BANGERS AND SMASH

Bangers And Smash is a new go-kart track in town with an added twist - bumper cars! The go-karts are equipped with bodies that look like old 1950s British cars, and have rubber bumpers all the way around them for protection. " Safety Fast"! Drivers are encouraged to throw the rule book out the window and drive like maniacs! Needless to say, our fun-loving WDMGC group had a great time racing and banging into each other. Everyone wore helmets, no one got hurt, and we all enjoyed ourselves immensely. Let's do it again!

From the following information, can you figure out which member drove which car (kart), what color helmet they wore, and what the number of their kart was?

(1) The member who wore the purple helmet drove the kart with the Jowett body. Mark chose kart number 5.
(2) The driver of the Sunbeam bodied kart wore a white helmet. Wendy chose kart number 1 because she liked the look of it's Riley body.
(3) Cindy wore a red helmet, while the driver of the Singer bodied kart (who didn't wear the yellow helmet) chose kart number 2.
(4) Rob chose kart number 3 (which wasn't the Sunbeam kart).

This chart is to help you record information from the clues as well as the facts that you deduce by combining information from different clues. I suggest that you use an "X" for a "no" and a dot for a "yes".
