The Windsor-Detroit MG Club
The International Local Club

Well, that was a year. Time for 2025.

Can-Am Editor, John Magee

The fun cars are all put away for the year. The Thanksgiving meal — whether you're in Canada or the U.S.— is just a fond memory. And as I write this sentence my Christmas tree is standing in the corner bare, waiting for its lights.

We're just about done with 2024.

For a variety of reasons, the ol' Can-Am publishing schedule took a beating this year. Ideally, I'd like to get them out the weekend before our U.S.-side meeting. Thank you all for putting up with a bit of irregularity in the schedule.

My New Year's resolution is clear for 2025. Hit the deadlines! Will the resolution last? Stay tuned in 2025 to find out.

Hello & Happy Holidays Everyone!

Vicki Bade - Club President

Hard to believe it is the Christmas season already-it has been a strange fall season with a lot of up and down temperatures, but as I see the holiday lights glowing and get into the spirit myself in decoration the inside and outside- I am starting to get the Santa vibes.

Matt hasn't had the chance to put his baby to rest yet but should be doing it soon and I know it is always a sad day as the door shuts on the driving season. (I know that some of you actually get your cars out in the winter months sometimes-kudos to you).

Since this NL and the next one will be a combination of two months each, we will be putting some information in them that are for upcoming events and other things, so please keep that in mind when going through this edition and the next.

Our December meeting was a success! Great turnout and we not only had chocolate kisses and the wonderful MG cookies to enjoy, but also a fun MG cake that Kelly & Vince picked up for us. Our little Christmas Tree was lit up (although due to an issue with space it was on the floor), and Santa paid us a quick visit to reward some of our members that had ended up in his "Nice" list with presents. Thank you Santa!!

Due to how close Christmas is to the Natter & Noggin date Dale has said they will skip this month and plan to have the next one on January 15th.

Voting will be coming up and we will be asking for your participation next month to get us ready for 2025- please exercise your member right to vote or even put a nomination in.

We will once again have a Hibernation Luncheon at Wixom Station on Sunday March 23rd, so keep an eye out for the flyer-we will be looking for RSVP's in a few months.

I hope you all have a safe and wonderful holiday and Happy New Year!!

—Vicki

Treasurer's Report for December 2024

Submitted by Vince Lacroix, Treasurer WDMGC

There were no large expenses for this period. The club experienced an assets increase.

The expenses in November were the donation to the Michigan Flight Museum, the deposit for the Hibernation Party venue, and the Quickbooks subscription.

Revenue came from donations for the Michigan Flight Museum and membership dues.

Current balance in the club Chase account is $2,677.57

Kelly and I hope to see people in the new year.

Right: Vince is wearing a pretty good Santa suit. But Kelly's reindeer disguise is amazing!

Windsor-Detroit MG Club Annual Elections 2024

The Windsor-Detroit MG Club bylaws require that elections must be held every year for the following positions:

- President
- Vice-President
- Secretary
- Treasurer

As we have done in recent years, the board will again be asking members to vote on-line to provide the best access to the election for our members.

Although there may be some people willing to continue in their current positions it is an open voting system and under our bylaws anyone that would like to nominate themselves or someone else for any position may do so with their vote.

The on-line process takes very little time to complete, and we do not have any other items to vote on for 2025. We will send an email with a link for voting in the month of January and the results will be made official at the Annual General Meeting (AGM) at the February 12th meeting on the US side.

Please have your ballots completed by Monday February 3rd to give us time to tabulate the votes. We appreciate you taking part of the process-so please vote.

The Windsor-Detroit MG Club Goes to Hell. (They always said it would happen. Part 1)

Report and pictures by John Magee

Thanks to George Popa's top-notch organizing and fearless route planning, twenty members of the WDMGC went to Hell for our Fall Colour Drive. Spoiler alert: We got back, undoubtedly because we are all pure as the driven snow.

The drive kicked off in Brighton, wound its way to Hell — always a surprisingly popular destination, but these are the wicked days in which we live — then took the scenic route to the Block Brewing Company in Howell, where we steadied our nerves with lunch and tasty beers after our close encounter with the demonic dimensions.

Thanks for organizing it, George! It was great fun!

Above: Our fearless Rallymaster at work!
Below: Destiny: Demonic dimensions!!

Life in Hell (with apologies to Matt Groening. Part 2)

Report and pictures by John Magee

Much to my surprise, Hell turned out to be a pleasant, Sunny place. Who knew? That wasn't what the priests told me during Sunday school, that's for sure!

Above: Denizens of the dark dimensions. Well, um … a pleasant, sunny dimension, anyway.

We Get the Heck out of Hell! (Part 3 of our Inferno Trilogy)

Report and pictures by John Magee

It turns out that it's easier to get out of Hell than my early religious instruction had led me to believe. I was expecting intercessions from saints would be required. Instead, we just got in our cars and drove on down the road to lunch!

Above: All that effort to escape the burning pools of fire and brimstone works up a healthy appetite and a keen thirst!

Holiday Party, Toy & Food Drives

Photos from John Magee

Perhaps inspired to reform by their close call with Hell in October, club members brought a literal truckload of toys and canned goods to our Holiday party in Farmington Hills. How do we know it was a truckload? Because it filled the back of Russ and Marlis LaFavre's pickup truck! Thank you to all the members who contributed, and thank you to Russ and Marlis for delivering our donations to Toys for Tots and C.A.R.E.S.

Santa recognized the effort by moving the membership collectively from the Naughty List to the Nice List and delivering presents to some of the most deserving members.

Above: Scenes from our December U.S.-side meeting and holiday party. Thank you, Santa Claus for the gifts for some of our nicest members!

Natter and Noggin Photos

A pleasant October evening brought a nice assortment of cars to the Natter and Noggin meeting in Windsor. Indoor photos only from November. You may draw your own conclusions about the November weather in Canada.

U.S. Side Oct. Meeting Photos

Photos from John Magee

Our October U.S.-side meeting at Craft Breww Works was a joint meeting with JAGM(Jaguar Affiliates Group of Michigan) with a special speaker they had arranged, Claire Dahl from the Yankee Air Museum to talk about the history of Rosie the Riveter and the Willow Run Bomber Factory.

With a warm October evening and a great presentation led to a packed room inside and plenty of MGs and Jaguars in the lot. Thank you to JAGM and Claire Dahl for the great evening!

(Please see the Rosie the Riveter remembrance from Lee Jacobsen on pages 13-14.)

R.I.P., Longtime Member Marla Zebarah

Longtime club member Marla Zebarah passed away in October. She and her late husband Dan were lifetime members of the club. Dan passed away many years ago due to brain cancer. Their children David and Lisa have continued to be active in the club.

According to her obituary:

Marla J. Zebarah of Brownstown Twp., Michigan passed away on Wednesday, October 16, 2024 at the age of 69. Beloved mom of Lisa (Dan Urson and Ian Shears) and David Zebarah. Cherished grammy of Eliana Urson-Shears. Loving sister of Dave (Dawn) Hillebrandt and sister-in-law of Cheryl (Mark) Zelek. Marla was preceded in death by her husband Dan, and her parents Fred and Bernie Hillebrandt.

Marla was an avid member of the Boy Scout community, and taught leadership skills to countless Scouts over the last twenty-five years. She will be deeply missed and forever remembered by her friends, her family, countless people for whom she became a second mother, and by the Coca-Cola Company who will almost definitely feel the drop in Diet Coke sales in their fourth quarter of 2024.

With respect to the Oct 9th In-Person Dual club meeting, Jaguar and WDMGC ....

By Lee Jacobsen

Claire Dahl's presentation on Rosie the Riveters was pretty informative, and entertaining, especially with her unique sound effect when the B-24 bombers made that tax-saving 90 degree turn to avoid Wayne County!

For years I have known the original Rosies, having done dozens of parades with them, providing the parade cars as needed, including a 47 Packard Super Clipper 7 passenger sedan, a 49 Chrysler parade car, a 72 Caddy Eldorado, and , of course, a Jaguar XKE and 53 MGTD. How did I get involved 40 years ago?

My Mom was a Rosie at Willow Run, an older (30) experienced relief Rosie, knew 15-20 jobs and her job for 8-10 hours a shift was to fill in for others so they could get a 20 minute lunch break. She was all over the plant. Her favorite job was at that favorite 90 degree turn, where , after it was made, often the super-secret Norden Bombsights were fitted. She and her girlfriend would hide in the rear of the plane, and watch. "Mom" I asked, "what is so fascinating about a Norden bombsight?" She replied, "son, when you are older you will understand when I say it was the six marines guarding it that we were watching, not the bombsight!"

Later, in 1957, Mom learned of an auction, a Detroit warehouse full of Norden bombsights , each locked in a metal box with a key, each with a log book of the bombing mission it had been on. She bought 3, $5 each, and gave one to each of us kids. We ignored them and the crates became 'seats' in the garage. Eventually, I got a pilot's license, and met with others interested in historical planes and flying, forming the Yankee Air Force. I donated two of the bombsights to the cause, one is in the B-17, now in CA, and the other is in the Mitchell B-25 bomber.

The Willow Run bomber plant, the saved part which is now the Michigan Flight museum, is the building where the final 90 degree turn took place, and is now almost restored, the rest is gone. A lot of history was saved however, like the worn cement steps leading up to the payroll office, where 40,000 Rosies walked up and were paid, all in gold, silver, cash, according to one of the payroll clerks, a Rosie in one of the parade cars of course!

Rosie the Riveter Remembrance (Cont.)

At the last Rosie parade this year, the average age of a Rosie in our parade car was 102. The lone gent was 103, a B-24 pilot. I asked where, he said Italy, only shot us down 3 times, flak, each was a belly landing, we walked away, but we lost a lot of planes.... flak looked like black storm clouds....

Time stops for no one, but we will always remember the Rosies! Rosies like Claire will educate and help us remember. Now I understand those badges Claire spoke of on her vest, it gives some meaning to Mom's Willow Run work badge that I keep in my desk, along with Pop's dog tags....Makes me glad to be here and appreciate what the Rosies did for us, all those years ago....

All the Best, Lee Jacobsen, Member of both clubs....Jaguar and WDMGC

The Highs and Lows of Our Meetings. Meet the Human Roller Coaster!

Photos from John Magee, Florian Dutke, and Kelly Lacroix

Club Member Florian Dutke took a wild emotional ride in our October and November meetings.

After the October membership we all adjourned to the parking lot to discover that Florian had a dead battery. A flock of club members swarmed to him, wielding jumper cables and free advice. We had him quickly back on the road where he made it as far as … out the driveway onto 12-Mile Rd, where his beloved MGB “Pudding” died again, eventually taking the Ride of Shame.

Then in November’s meeting Florian rebounded from that tough day to win the MG Trivia Cup! From ignominy to triumph! All in one month’s time! Congratulations, Florian!

UPCOMING 2025 EVENTS!

The 2024 Driving Season is in the books. We've begun looking forward to 2025. Here are some events you might wish to put on your personal MG calendar if you haven't done so already.
