The Windsor-Detroit MG Club
The International Local Club

Elbows Up, But Hopefully Side Mirrors In Place.

Can-Am Editor, John Magee

It's no coincidence that I chose a photo from our Canadian members for the cover this month. One of the great pleasures of living in Michigan is the many friends I've made from the other side of the Detroit River over the years.

Now our international friendship faces new and unexpected challenges after the actions of the new U.S. administration created tensions between the two nations unheard of in my lifetime. Unimagined in my lifetime, really.

So I wanted to take a moment here to reach out to our Canadian members and friends to say that the friendship of the American members for our Canadian neighbors remains strong, regardless of the recent actions from Washington, D.C. We will get through this together.

I hope that sanity prevails soon. And in the meantime, those of us in the U.S. will understand if your elbows are up. We just hope the MG side mirrors all stay amicably in place. MG remains "The Marque of Friendship."

Happy Spring Everyone!

Vicki Bade - Club President

Well, we have made it through the worst of winter and even if we have a little more to come, the beautiful weather this week will go a long way to making it tolerable. I am sure there will be at least a few MG's starting their engines and venturing out this week.

The votes were tallied and thank you to those that voted-I am proud to represent the club again this year as President and thank you also to our V.P., Secretary & Treasurer for giving it another year in their positions!

The April 9th U.S.-side meeting will be a joint meeting with the Jaguar club, a presentation about the history of Ford racing. The speaker is Todd Bryan, the president of the Henry Ford Heritage Association. We'll be looking for a small donation to the HFHA in exchange for the presentation.

We may have a leader for a caravan to the Kimber Birthday Lunch-so keep an eye out for more information to come. It is set for Sunday April 27th from 12:00-3:00pm at the usual Delhi Café.

May, as usual, will see us at Camp Dearborn for our annual Spring Gathering-just finalizing the date and information, so we will keep you posted.

Due to the weather forecast we had to cancel the February meeting, which would have been the Annual General Meeting-so we will used the March meeting to finalize our voting as a formality.

Get out and enjoy the warm weather if you can-it will be officially driving season soon and I am sure there will be lots to do. Looking forward to a Great 2025!

Stay safe.

—Vicki

Treasurer's Report for March 2025

Submitted by Vince Lacroix, Treasurer WDMGC

Vince reported at our March monthly meeting that the club is still a couple thousand dollars in the black, even accounting for anticipated expenses at the Hibernation Luncheon. This puts us in good stead for our upcoming 2025 events.

Editor's Confession for March 2025

Submitted by John Magee, Secretary WDMGC

As most of you have heard, 2025 has not been kind to the venerable Casa Magee laptop. Honestly, it's no surprise that a man who thinks it's a good idea to drive 49- and 75-year-old MGs would think that an eight-year-old laptop was just entering the prime of its life. This turned out not to be the case. Newsletter production ground to a halt.

The good news is that this March newsletter is coming to you courtesy of my sparkling new laptop. With the new equipment comes a new commitment to trying to get these newsletters out more promptly. As for the old laptop? In the best MG tradition, look for my old laptop at the annual Dream Compute on Woodward Avenue or perhaps even an occasional Computers & Coffee event.

Windsor-Detroit MG Club Annual Elections 2025

Our current board of officers all stood for re-election this year, without formal opposition.

In the online phase of our Windsor-Detroit MG Club annual election we had 27 ballots cast:

- President: Vicki Bade, 26 votes; J.Gary Trepanier, 1 write-in vote.
- Vice-President: Dale Brown, 26 votes; J.Gary Trepanier, 1 write-in vote.
- Treasurer: Vice Lacroix, 26 votes; J.Gary Trepanier, 1 write-in vote.
- Secretary: John Magee, 25 votes; J.Gary Trepanier, 1 write-in vote; Matt Bade, 1 write-in vote.

The results of online balloting were confirmed and adopted by the membership at our March U.S.-side meeting, which served as our annual general meeting (AGM) after the February meeting was cancelled due to snow.

Congratulations to our new officers, who happen to also be our old officers!

Right: MGs at our 2024 Spring Gathering. Wondering what our officers do? Some of it is organizing things like the Spring Gathering!

The March Awakenings!

Top: No surprise! Arayan Lias was out enjoying an early spring drive in March!

Bottom: Kurt III's restoration project picked up speed thanks to the students and facilities at Washtenaw Community College, where he has been taking auto body classes and helping on other projects.

Hibernation Luncheon a Smash Hit!

Story and photos from John Magee

More than 30 members of the club joined for lunch on March 16 at Wixom Station in Wixom, Michigan, to celebrate the end of our winter hibernation and the arrival of the spring driving season. The lunch featured tons of Italian food and fun little gift bags with club keyrings and detailing brushes, all the better to turn your ignitions to “On” and then brush the dust off your dash after a spirited run!

At Right: Exclusive artsy-fartsy “reflections” photo.

The Windsor-Detroit MG Club is proud to sponsor the 13th Annual Spring British Car Gathering & Picnic at Camp Dearborn in Milford, MI.

No registration, no formal car show or class parking, and no awards; just an opportunity to share our passion with fellow British car owners and clubs, and to get to know one another.

We have reserved a large, well shaded area that is to the right just inside the entrance, behind and down the hill from the office-the area called Evergreen. **There is an entrance fee to the park of $12.00** Cars will be parked on pavement so not to worry about wet or soft ground. We have use of a picnic shelter and nearby restrooms.

WDMGC will supply Sub Sandwiches/Snacks/Cookies & water bottles-please bring a dish or dessert to pass and your own chair(s). You may also bring your own food/drink.

BOOT SALE

Have some spare parts, tools, etc. that are cluttering your garage? Bring them along and offer them for sale from the boot of your car. We are not looking to host a full-blown swap meet, so please no trailers full of stuff. Whatever you can get in your car or bring pictures of larger items that you want to sell.

Above: A picture of John Magee's 1975 MGB to remind us all that green grass will be here soon!

Also for sale from Richard Eisele: Modified 1275 engine and Datsun 5 speed transmission.

I used this engine and trans in my Bugeye Sprite and had no problems with either the engine or trans. I removed them before I sold the Bugeye several years ago. I intended to put these in a square body Spridget I had, but have now sold that project as well.

The engine is a 1275 that has been bored 0.030 over and has had the head ported. The engine comes with a 45 DCOE Weber carb and manifold, header wrapped with insulation, an Aldun distributor w/o vacuum advance, tubular push rods and Kent 266 camshaft. I will include the 1 3/4 exhaust pipe and bullet type muffler that will fit Sprites and Midgets. The head was removed for doing some machine work several years ago, but I never had any work done to it. I will also include gaskets and other parts I bought to, at least, partially rebuild the engine.

The Datsun 5 speed comes with a backing plate for a 1275 engine, modified clutch and pressure plate, driveshaft to attach it to a Spridget rear axle, shift lever, transmission mount to install in a Spridget body and speedometer adapter that has been set up to use with a 3.9 differential and 175/70r-13 tires.

I am asking $5,000 for everything. I do not wish to split the engine and trans at this time. I will NOT sell any individual parts for either the engine or transmission unless the buyer does not want a certain part. If so I will list those parts separately after the engine/trans sells.
