### Hello, April! On the Road Again! (Almost)

*Can-Am Editor, John Magee*

Welcome to our slightly abbreviated April newsletter as we get closer to our usual publishing schedule after the sad demise of my old laptop.

There's much afoot in the rest of April.

Lee Jacobsen and the Michigan MG T-Series have put together a Valve-Cover Racing Clinic this Saturday, April 26, for those of you who want to build a racer or just tune up your existing racer for this summer's big events. (Flyer, Page 8)

And the Kimber Run is the next day, Sunday, April 27th! (Flyer, Page 9)

Will the FUN MG be ready to make the run on Sunday? Join us and find out!

John Magee, Editor
Can-Am@WDMGC.com

**Below:** John Magee's beloved MGB ready to emerge from storage. Would I trade it for the Rolls-Royce coupe to its right? No. … Well, maybe. I dunno. … Somebody try me and we'll see.

*Vicki Bade - Club President*

Hello, April is here and I see the Spring flowers and critters coming out for the season. Matt's car has also come out of its winter home and he has gotten his baby all cleaned up and looking spiffy for the car season ahead! Now the test, of course, will be in how it runs now that it has been let out. LOL.

The Hibernation party was a success as John mentioned in the last NL-thank you all for joining us!

We really enjoyed the speaker from the Henry Ford Heritage Association during our April meeting-good stuff!! Thank you to the Jag club for setting that up and letting us be a part of it.

Vince Lacroix is heading the Kimber Run caravan out of the usual Meijer lot at 8 Mile Rd and Haggerty at 9:00am, with the extra stop at North Territorial and U.S. 23 by 10:00am. Please join us for the ride and the luncheon-if you can let Vince know you will be there that would be appreciated. See you Sunday April 27th.

Our Spring Gathering will be on Saturday May 17th at Camp Dearborn-we will have the main food, but as with in the past we are asking people to bring a dish to share and don't forget your chairs. Looking forward to it.

The first British Car Coral at Bakers of Milford will follow the next day Sunday May 18th for those that can head out there to enjoy the day.

Reminder of the upcoming NAMGAR GT-50 event June 2-6 in Traverse City. April 30th is the last day for the special room rate at the host hotel-so sign up now!

Get those cars out and ready-the driving season is starting! WooHoo!!!

As always-take care and safety first.

—Vicki

## Treasurer's Report for April 2025

Submitted by Vince Lacroix, Treasurer WDMGC

Vince reports that we have $2,218.71 on deposit in our account. The major expenses in the last month have been the Hibernation Luncheon and the deposit for the upcoming Spring Gathering on May 17 at Camp Dearborn.

## Kelly's Husband at Kelly's Pub with Kelly's Niece

Story and Photo by Vince Lacroix

The warm days in early March provided a chance to get our MGB out of storage and road-ready. Monday, March 17, Saint Patrick's Day, dawned clear and cool, so I grabbed an extra redhead and headed out for the day. My wife, Kelly's, niece was in town from Nashville to see how Detroit does the big day. We started at Kelly's Irish Pub (no relation) in Dearborn, and then headed down to Corktown. It was a pretty crisp ride with the top down, but we had a great day enjoying Detroit's Irish revelry, a surprise family engagement, and a safe return to home. I "took the pledge" for the day to act as driver, but what fun to be out again in one of the world's greatest cars!

**Right:** A redhead and an MGB are the perfect accessories for St. Patrick's Day. We would claim the B should be green, but British Racing Green seems wrong. How about a quick Kelly Green respray, Vince?!

# U.S.-side April Monthly Meeting

Report and pictures by John Magee

Thank you to the Jaguar Associates of Michigan for arranging the excellent presentation for our April U.S.-side meeting at Craft Breww City in Farmington Hills.

Todd Bryan, the president of the Henry Ford Heritage Association, gave us a talk on the early history of Ford Racing. Topics included the race in which Henry Ford won the funding to found his car company as well as Barney Oldfield's brief but spectacular racing career at Ford, at career that started when the first big race he won was also the first time he had ever driven a car.

**Left and Above:** They have quite a nerve calling those cars that hulk over the MGB to the left and the right “Minis.” Poor Fran Lewis is nearly completely hidden by her giant car!

**Bottom and Right:** Photos from our joint meeting with JAGM (the Jaguar Affiliates of Michigan club) and Todd Bryan’s excellent presentation on the history of Ford Racing!

# April Monthly Meeting Photos

Report and pictures by Dale Brown

At least 20 people attended the April Natter and Noggin, including three American members and lots of cars. The numbers are growing fast now that the driving season has returned. Come join us in May!

**The Windsor-Detroit MG Club is proud to sponsor the 13th Annual Spring British Car Gathering & Picnic at Camp Dearborn in Milford, MI.**

No registration, no formal car show or class parking, and no awards; just an opportunity to share our passion with fellow British car owners and clubs, and to get to know one another.

We have reserved a large, well shaded area that is to the right just inside the entrance, behind and down the hill from the office-the area called Evergreen. **There is an entrance fee to the park of $12.00** Cars will be parked on pavement so not to worry about wet or soft ground. We have use of a picnic shelter and nearby restrooms.

WDMGC will supply Sub Sandwiches/Snacks/Cookies & water bottles-please bring a dish or dessert to pass and your own chair(s). You may also bring your own food/drink.

**BOOT SALE**

**Above:** Arayan Lias has you covered on the ground and in the air! Looking for more cool photos? Check out our group page on Facebook!

**Also for sale from Richard Eisele: Modified 1275 engine and Datsun 5 speed transmission.**

I used this engine and trans in my Bugeye Sprite and had no problems with either the engine or trans. I removed them before I sold the Bugeye several years ago. I intended to put these in a square body Spridget I had, but have now sold that project as well.

The engine is a 1275 that has been bored 0.030 over and has had the head ported. The engine comes with a 45 DCOE Weber carb and manifold, header wrapped with insulation, an Aldun distributor w/o vacuum advance, tubular push rods and Kent 266 camshaft. I will include the 1 3/4 exhaust pipe and bullet type muffler that will fit Sprites and Midgets. The head was removed for doing some machine work several years ago, but I never had any work done to it. I will also include gaskets and other parts I bought to, at least, partially rebuild the engine.

The Datsun 5 speed comes with a backing plate for a 1275 engine, modified clutch and pressure plate, driveshaft to attach it to a Spridget rear axle, shift lever, transmission mount to install in a Spridget body and speedometer adapter that has been set up to use with a 3.9 differential and 175/70r-13 tires.

I am asking $5,000 for everything. I do not wish to split the engine and trans at this time. I will NOT sell any individual parts for either the engine or transmission unless the buyer does not want a certain part. If so I will list those parts separately after the engine/trans sells.
