A Salute to the Honorary MGs

Can-Am Editor, John Magee

Having conceded the title of "Honorary MG" to our club President Vicki Bade's Fiata, I thought about what other cars might now qualify for the title.

My trusty backup British car has long been my 1999 Jaguar Vanden Plas Supercharged. It is much more likely than either my MGB or MG TD to keep me dry on a rainy day while also being a wee bit more comfortable on the highway.

Guy St. John's venerable Volvo P1800 has been to more British car events than most of the MGs in the club. Then there's Fran Lewis's Mini …

Every MG owner knows it's best to have a backup!

Right: Guy's Volvo P1800 and my Jaguar "Big Smokey" share space in the "practically an MG" section at a recent MG event.

Presidentially speaking

Hello Everyone,

Vicki Bade - Club President

September is here and summer is still clinging to life-bless its heart! Although we could use the rain, it is definitely still top-down weather, so enjoy it while you can.

Another wonderful Twisty Bits drive thanks to Philip Wiltshire! There was a very nice turnout between the Jag club and our MG club-we must have had around 20 cars, give or take and a very nice variety. Mother nature was kind to us and since that is such a fun stretch of roads it was a good day. The gentleman that gave us an interesting history of the mill at Sharon Mills Park.

Vince and Kelly LaCroix along with Matt and myself joined the Jag group for the Princess Lunch Cruise on the Detroit River. That is a happening ship-they keep it lively and fun! The buffet was tasty and it was a nice day for cruising back and forth-very cool views on both sides of the river. Thank you to Bob for organizing that and including our club.

Melody Klemmer & Don Westphal stepped up and organized a nice Fall Color Tour around the Northville area with lunch/ice cream in Novi. The drive will be Saturday October 18th 11:00-4:00 starting from Belden Garage in Livonia, visiting 3 cider mills and ending up at Gurnsey Farm Dairy for lunch and ice cream. The flyer will be on the website and in the NL, so RSVP as soon as you can to Melody. We can hope to get a little color by that time and I'm sure it will be a fun day!!

Hope you all can get out and about and enjoy the end of summer!

—Vicki

Safety MG Fast!

Treasurer's Report for September 2025

Submitted by Vince Lacroix, Treasurer WDMGC

At our September meeting Vince Lacroix finally returned from his summertime retreat and maritime mishaps to report that we still do have money. In particular he noted our larger expenditures for the spring and summer: Spring Gathering ($300 to Jimmy John's for food), $50 to the Ford Motor Racing. We also received an anonymous donation and collected the usual dues, bringing us up to a grand total of $2,831.66 in our checking account.

Right: Vince will leave no stone unturned in his quest for more funds for the club. Here he is seen working the clean & wipe racket in the parking lot on John Magee's MGB.

Photos: This year's Dream Cruise was light on MGs but heavy on things that didn't seem to be cars at all!

MGs Join Jag Jaunt for Twisty Bits Drive

Photos by Vicki Bade

Members of the Windsor-Detroit MG Club joined with the Jaguar Affiliates Group of Michigan (JAGM) on Sunday, August 17, for their annual Twisty Bits Drive — a winding drive through the Irish Hills with a picnic lunch and guided tour of the mill at Sharon Mills Park. Much fun was had!

Media Superstar Cocoa Puff Upstages the MGs at the Franklin Labor Day Roundup

Story and Photos by John Magee

Ken Klemmer rounded up a strong showing of MGs for the annual Franklin Labor Day Roundup car show. But make no mistake, the star of the show was the Klemmers' dog, Cocoa Puff, looking stylish in her protective "doggles."

Natter and Noggin a Hit in August

Story and Photos by Dale Brown

A pleasant Canadian summertime evening drew a strong fleet of MGs and other British cars to the club's August Natter and Noggin meeting at the Riverside Sportsmen Club in Windsor, Ontario.

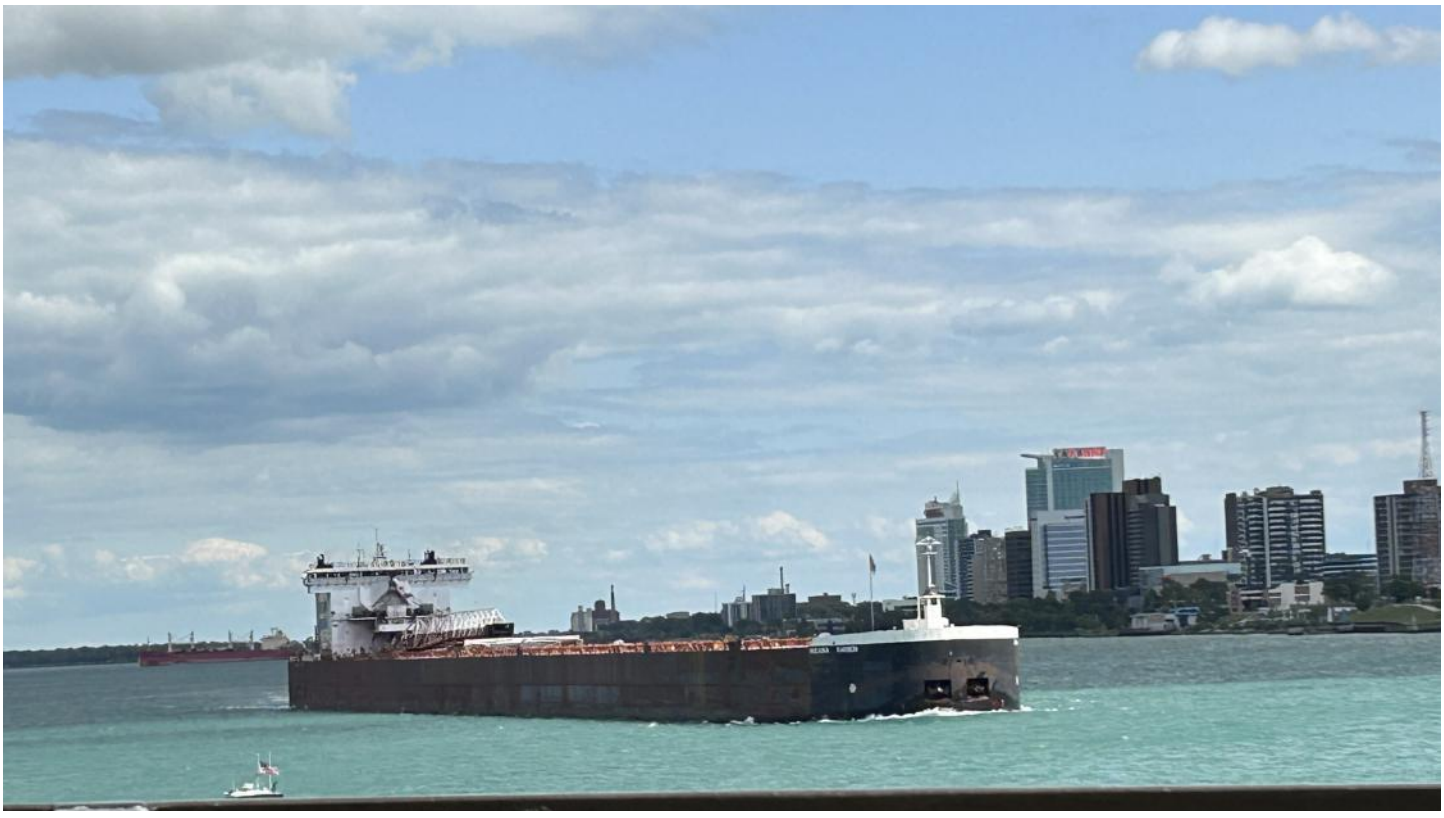
Riverboat Cruise — Joint Event with JAGM

Story and Photos by Vicki Bade

Bob from the Jag club said there were about 20 or so people. The Lacroix's and us the only ones from our club, but we had a really nice time. The lunch was delicious and the weather was great for cruising the river.

Matt was happy to see a few freighters.



Day in the Garage with the Michigan Rowdies!

Join the Michigan Rowdies for a Day in the Garage event.

Rich Thalmann, caretaker of a 1962 MGA (since he was a 16 year old!) is ready to begin a full restoration. To begin the process, the engine and trans need to be removed followed by getting the chassis/body to the "rolling" status and work on door fitment.

This is what the "Day in the Garage" events are for - free labor! Also, if you've always wondered what is entailed in getting that great huge lump of cast iron out of the narrow opening under the bonnet, this is your chance to find out. You'll see how simple is our MG systems design. You may want to have your own D.I.T. Garage to solve some bothersome issue. Our club has a great deal of MG knowledge in its membership.

Club camaraderie is enhanced by gatherings like this. See your friends and make new ones.

Fall Colour Tour—Oct. 18, 11:00 am to 4 pm

Joint event with the Michigan MG T-Series and Windsor-Detroit MG Clubs

Planned Itinerary: Departing Lee Jacobsen's Belden Garage in Livonia at 11:30 am. We will stop at three cider mills — Three Cedar Farms, Obstbaum Orchards, and Parmenter's Northville Cider Mill — then arrive for lunch at 2:30 pm at Guernsey Farm Dairy in Northville.

To attend the LUNCH please RSVP to Melody Klemmer (msklemmer@comcast.net) by Friday, October 9 so that she can provide a head count to them 1 week prior to the event.

Lunch Details: They have been extremely generous NOT charging us their usual room fee of $2500.00. Guernsey is also agreeing that we can order anything on the menu and have separate checks but to be fair WE did agree that the gratuity would be automatic 20% to your final bill and then if members felt they wanted to do more than that is up to you.

You will be able to order ice cream from your table or if you choose to go over to the parlor side you can do that vs waiting for the staff to serve you. Menu at: Guernsey Farm Dairy Menu.

Thank you to Melody Klemmer and Don Westphal for putting together this event!

Photo: Putting the “Cruise” in the Dream Cruise!

Also for sale from Richard Eisele: Modified 1275 engine and Datsun 5 speed transmission.

I used this engine and trans in my Bugeye Sprite and had no problems with either the engine or trans. I removed them before I sold the Bugeye several years ago. I intended to put these in a square body Spridget I had, but have now sold that project as well.

The engine is a 1275 that has been bored 0.030 over and has had the head ported. The engine comes with a 45 DCOE Weber carb and manifold, header wrapped with insulation, an Aldun distributor w/o vacuum advance, tubular push rods and Kent 266 camshaft. I will include the 1 3/4 exhaust pipe and bullet type muffler that will fit Sprites and Midgets. The head was removed for doing some machine work several years ago, but I never had any work done to it. I will also include gaskets and other parts I bought to, at least, partially rebuild the engine.

The Datsun 5 speed comes with a backing plate for a 1275 engine, modified clutch and pressure plate, driveshaft to attach it to a Spridget rear axle, shift lever, transmission mount to install in a Spridget body and speedometer adapter that has been set up to use with a 3.9 differential and 175/70r-13 tires.

I am asking $5,000 for everything. I do not wish to split the engine and trans at this time. I will NOT sell any individual parts for either the engine or transmission unless the buyer does not want a certain part. If so I will list those parts separately after the engine/trans sells.
