Welcome to 2026!

Can-Am Editor, John Magee

Congratulations, we all made it to 2026!

With the start of Volume 48 of the *Can-Am Connection* I've cleared out the classified ad section. We're ready for new listings. Spring is the best time to sell all things British roadster. So if you find some parts or an extra car or two that you forgot about as you do your spring cleaning, we'll try to help you find them a new home.

I've also filled out the first cut of this year's calendar, which now stretches across two pages: 11 and 12 to be specific. It'll get updated as the year proceeds, but hopefully we'll catch most of the Michigan and Ontario area events with appeal to MG owners. If you come across a good one that your fellow members might enjoy, send it along and I'll try to add it in.

Finally, thank you for re-electing me as our club's secretary. My rapidly typing fingers and dubious page layout skills will do our best to keep the communication channels open and the *Can-Am* flowing (mostly) on time.

Presidentially speaking

Hi Everyone,

Vicki Bade - Club President

I hope you are all keeping warm somehow-even some of the snowbirds are probably feeling the cold I bet. What a winter so far! Matt finally was able to put the MG in its winter home-better late than never. Now he can finally get his car in the garage.

Thank you again to everyone that donated food and toys at our December meeting-as always, your generosity is much appreciated!! It was a fun meeting-as the previous NL showed.

The January meeting ran into some bad weather and so it was an intimate dinner for 6 with cake. The weather ended up being worse than predicted-but thank you to the brave souls that joined Matt and myself and thank you to Vince & Kelly for the lovely birthday cake-it was delicious (thanks Matt for the surprise).

As we hunker down and try to stay warm, we can look forward to the Hibernation Luncheon coming up in March-don't forget to get your RSVP's in and we hope to see you there for a nice afternoon of good food and friends (some goody bags will be given out too).

We will be having our Spring Gathering at Camp Dearborn in Milford Saturday May 16th but are changing things up a little. We have been invited to join the Spring Vintage Fest at a site near the lake where the Tin Can RV/Classic Car Show will be set up. There will be food trucks, voting for those that want to participate, an open house to check out the RV's and a nice new bathroom in the area. The Flea Market will be setting up at the site on the hill that is where the Battle of the Brits is held in the fall and so everyone can check it out to see what they have to offer. Full details will be coming as a flyer is put together-but it sounds like a lot of fun and something different for the group. Save the date and stay tuned.

The February US meeting at Craft Breww City was the AGM. Our incumbent officers were re-elected unanimously. Thank you to my fellow officers for agreeing to serve another year, and thank you to everybody who voted!

—Vicki

Treasurer's Report for Jan-Feb 2026

Submitted by Vince Lacroix, Treasurer WDMGC

Our checking account is now up to $3,510.56, thanks to an influx of hibernation-lunch payments. This total puts us in good shape for all of our upcoming events planned for 2026.

Thank you all for your dues payments!

Above: Vince wondering how much it will cost him to stay out of trouble with Kelly.

Will it be back on the road this summer? Come to our March meeting and ask Chuck!

The Life and Times of 'Wiggy' the MG Midget

By Ken Klemmer

Part 1 of 3: Searching for his Father

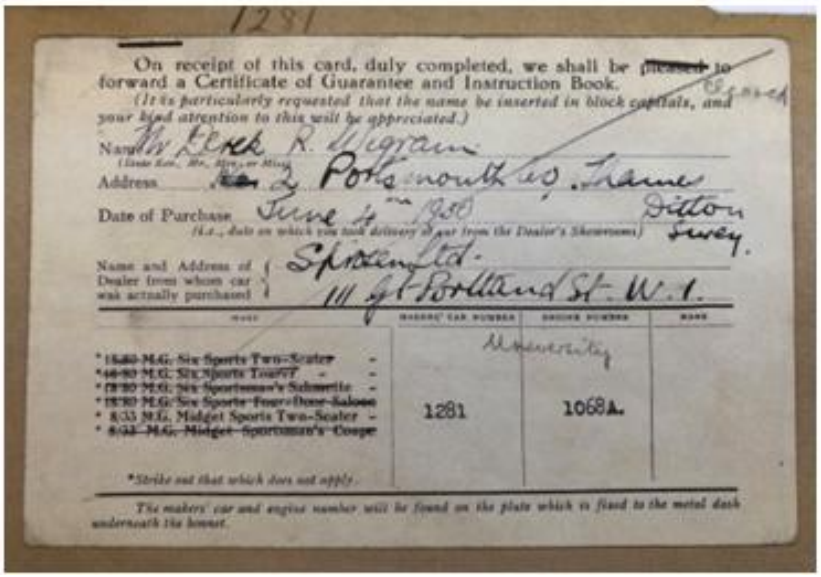
Shortly after acquiring M Type 2M1281, known to us as 'Wiggy', I began the task of trying to track down his early history. The car came with a buff logbook which had somehow remained with the car since it's importation into the US in 1965. The records in the logbook went back to about 1953 and ended in 1960 with the ownership of the mysterious P. Shore (a story for our next installment!).

The only other early information we had was a photo probably taken in the 1950s that showed the car with the fabric scuttle replaced by metal and trafficators cut into the sides. This was probably done to be in compliance with the newly introduced MOT requirements for indicators in the 1950s.

Wiggy's ca 1950 photo also shows a rather rare MG L Continental model parked alongside, BLN 19; this car survives too, although no longer with its original body.

I was told that the car was first sold to D.R. Wigram. I did an Internet search in the UK for any Wigram surnames I found there was a Wigram who resided near the original sales location of Thames-Ditton, and was an OBE, Order of the British Empire. It turned out this Roland Lewis was the father of Derek R (Roland) Wigram, born 18 March, 1908. Derek had a son and daughter, and the son, Richard Wigram, appeared to still be alive but I was unable to find a current address or any contact information.

About the same time, I inquired about the original records from the MGCC (MG Car Club). The records from the MGCC confirmed the original owner was Derek R. Wigram, as of 4 June, 1930, and contained some other interesting information. While we have much to be thankful for in the MGCC factory records, a maddening complication is that, in typical pre-war fashion, is that they often refer to first names only as initials and only surnames detailed. In this case, I got lucky!



1281

On receipt of this card, duly completed, we shall be pleased to forward a Certificate of Guarantee and Instruction Book.
(It is particularly requested that the name be inserted in block capitals, and your kind attention to this will be appreciated.)

Name: Mr Derek R. Wigram

Address: 2 Portsmouth Rd. Thames Ditton Surrey.

Date of Purchase: June 4th 1930
(i.e., date on which you took delivery of car from the Dealer's Showroom)

Name and Address of Dealer from whom car was actually purchased: Sprosan Ltd. 111 & 112 Portland St. W.1.

MAKE	MAKERS' CAR NUMBER	ENGINE NUMBER	BODY
*18/80 M.G. Six Sports Two-Seater			
*18/80 M.G. Six Sports Tourer			
*18/80 M.G. Six Sportsman's Saloon			
*18/80 M.G. Six Sports Four-Door Saloon			
* 8/33 M.G. Midget Sports Two-Seater	1281	1068A.	
* 8/33 M.G. Midget Sportsman's Coupe			

*Strike out that which does not apply.

The makers' car and engine number will be found on the plate which is fixed to the metal dash underneath the bonnet.

As an aside note, the car was delivered to the dealership, Sprosan, Ltd. This was the dealership owned by one Norman Black who had another career in racing of MGs and Singers.

At this point, I went to that worldwide network of connections, Facebook. I had joined several groups related to British sports cars and put out the request for any

The Life and Times of 'Wiggy' the MG Midget (Continued)

information with someone who might be able to point me towards Derek R. Wigram. Through the VSCC (Vintage Sports Car Club) I found that Derek was appointed headmaster of the Monkton school, in 1946 and attended Peterhouse College at Cambridge.

I then wrote to both Peterhouse and the Monkton school. At the same time, I sent Facebook friend requests through Messenger to every Wigram in the UK. The letter to Monkton paid off: the receptionist said she would forward information on to the archivist for the school and I soon received an email from Jacqueline Burrows, who once lived in Abingdon and took a great interest in the search. Sure enough, she was able to find a current email address for Richard Wigram and passed on my note.

A few days later, I received a short message from him stating how happy he was to hear that his father's car was still around. He was in the process of moving and would hunt for any early pictures. At the same time, my Facebook messages, sent in November, also bore fruit and by January heard from both David and Helen Wigram, Derek's grandchildren. They were both excited to hear the news but thought I would get the best information from their father.

Unfortunately, the photo search was not successful but he did tell me that he discovered one of his dad's diaries. In it he found that Derek owned the car until 31 January, 1936 and found it sad to sell on. One imagines it was probably pretty well used up by then, as six years of daily use in all weather conditions on a wood and fabric bodied car must have been quite hard on it; it's recorded mileage was 44,420. By this date Derek was 24 and ready to move up in the world. He did it in style, trading the little M Type for a new Aston Martin (very likely a Mark II 2/4 seat, 1-1/2 litre, about £600!) that he picked up at the factory in Feltham, but to his dismay found it did not fit in the garage very well being approximately 40" longer and 12" wider than the MG.

As it turned out, our M Type was responsible for a lifelong love of sports cars, not only for Derek, but also for his son Richard. Derek was the envy of the boys at the schools he was headmaster at for his exotic British motors (Alvis, Aston Martin, Bristol) and enthusiastic driving style.

US-side January Meeting

Photos and Story by John Magee

Six inches of snow kept turnout light for our January meeting. But that didn't keep our club from celebrating our fearless leader Vicki Bade's birthday with a festive cake.

Right: No MGs braved the deep snow to come to the meeting. The best I can do for you is my four-wheel drive F-150 pickup truck.

Story by John Magee

Ken Klemmer's 1931 MG D-Type was a welcome sight on a sub-freezing evening. It gave us all hope that this winter will end and our little British cars will soon be back on the roads. Ken claims he doesn't believe in modern amenities like heat or windows, "Those newfangled things are unreliable!" (See the story on pages 5-6 to learn about Ken's even older MG 1930 M-Type.)

December and January Natter and Noggins Frozen Out

Alas, snow, ice, cold, and a wintry holiday mood in Canada claimed our December and January Natter and Noggin meetings. We'll be back at the nattering and the noggining on Wednesday, February 18, at 6 pm. Come join us at the Riverside Sportsmen Club in Windsor for all the fun!

So instead of N&N pictures, please enjoy this picture of a 1969 Rover TC 2000 spotted by Ozzie Pillon in Essex, Ontario, and shared in our club's Facebook group.

Club Election Results

Our incumbent officers all stood for re-election with no challengers. Turnout for the online portion of our 2026 officers' election was relatively light with 17 votes cast, all for the nominated candidates with no write-in votes.

- President: Vicki Bade (17)
- Vice President: Dale Brown (17)
- Treasurer: Vince Lacroix (17)
- Secretary: John Magee (17)

The results were confirmed by a vote of the members at our February U.S.-side election, which also served as our Annual General Meeting (AGM).

Thank you all for your votes! We'll do our best to continue to make the club a great experience for all our members.

Right: Does club member Arian Lias let the winter keep his MG inside?

Heck no!

RSVP Now! The 2026 WDMGC Hibernation Party
