The Can-Am-Pocalypse Looms

In all fairness, I saw a notice about it last year, though I didn't think through all the implications.

Can-Am Editor, John Magee

But a few days ago as I put together this edition of the *Can-Am*, here it was. Finality.

What you can't see behind the scenes is that this newsletter is assembled every month on a venerable Publisher template handed down from Rick Astley to Dale Brown to me. And while MS Publisher can be futzy and clunky, there's a ton of information in that template. Plus, it always produces a nice final product, suitable for printing out on a home printer or reading on a tablet. And all the old source files with the pieces are in .pub format.

So … sometime very soon I am going to need to select and learn a new desktop publishing program, create a new layout, and migrate all of the template (like the masthead at the left, the table of contents below, and a thousand other parts.) Will the October issue arrive in your inboxes in October? Your guess is as good as mine. (I'd bet the "over" on the date.)

Presidentially speaking

Hi Everyone-Happy Spring,

Vicki Bade - Club President

Mother Nature is in a strange mood-things are very green due to the rain, but we still have the heat going on some of these days and that temperature reading keeps staying in the 40's-UGH. Not much traveling in the MG although Matt is trying to get it out here and there.

Looks like a good group went to the Kimber luncheon-sorry I had to miss it and I'm glad it was such a beautiful day for the drive. Thanks to Guy for leading the group.

Looking forward to our Spring Gathering next weekend as we join the Vintage Fest at Camp Dearborn for something a little different this time. Bring your chairs-there will be 2 food trucks near the car show where we will be and an Italian truck at the Flea Market. Come out and enjoy!!

As Vince and John shared, the British Car Corral at Baker's of Milford is starting the new season with the first official gathering May 31st and running thru August, so get those cars out and enjoy-but it's best to go early to get a spot as it can fill up fast.

Our resident Bingo Master Vince is ready to show us the fun at our May meeting, so be ready. We will also be joining the Jag club for a joint June meeting on the 10th and Gary Hillebrand is cooking up a little fun for that one. Stay tuned for more details to come.

Events will be coming fast and furious-so keep checking the calendar for the dates and details. Matt is still looking for RSVP's for his June event, so please reach out to him if you intend to join us-we would love to see you there!!

Hope to see you at the US meeting 5/13 at Craft Breww City and don't forget you can always go over and join the gang in Canada for the Natter & Noggin the following Wednesday!

Stay driving and stay safe-get those cars on the road and show them off.

—Vicki

Treasurer's Report for May 2026

Submitted by Vince Lacroix, Treasurer WDMGC

Vince says, "Don't worry. We have some money. I think."

(To be specific he reports $2,150.69 in our checking account.)

Baker's Cruise-Ins Have Begun for 2026!

Report and photos by Vince Lacroix

Baker's Road House in Milford has kicked off its cruise season. On Sunday, May 3, Vince Lacroix joined a friend and around a hundred classic cars to enjoy the weather and chat with car enthusiasts.

Baker's is a real easy approach with no fees. It's a pull-up, pop a chair and enjoy approach. The cruises will continue every Sunday through summer until the end of September.

The Jaguar Affiliates Group of Michigan is once again hosting a monthly British Car Corral at Baker's. This year's corral is scheduled for May 31, June 21, July 26, and August 30.

Kimber Lunch Kicks off the 2026 Michigan MG Season!

Story and photos by John Magee

Members of the Windsor-Detroit MG Club gathered early on a Sunday morning for our annual caravan to the Cecil Kimber birthday party in Holt, Michigan. The party is hosted by the Michigan Rowdies every year at the Delhi Café and gives MG owners from across the state a chance to shake the cobwebs off their cars, see the spring countryside, and sing “Happy Birthday” to Cecil Kimber.

This year’s caravan was once again led ably by Guy St. John. Cool weather and heavy layers of cobwebs kept the count of actual MGs surprisingly low: just three MGBs. (Your humble editor had threatened to take his unheated, unwindowed, unroofed MG TD on the drive. But when the thermometer showed 41F as I got ready to head out, did I chicken out and take the Jaguar with the heated seats instead? Yes I did!)

Bright sunshine quickly warmed the chilly morning to create a delightful spring drive. Join us for the drive, the parking lot gathering, and lunch!

Conclusion of the Kimber Run Photos

It was fun! Let's do it again next year!

Monthly Meetings

Photos by John Magee

No meeting photos in this issue as I finally wrestle the monthly publication date back before the monthly meetings.

I can report that the Natter and Noggin in Windsor is picking up momentum with the warmer weather (May 20, 6 pm.; Riverside Sportsmen Club, 10835 Riverside Dr E, Windsor, ON N8P 1A5.)

Treasurer Vince Lacroix will be back with MG Bingo at our US-side meeting this month! (May 13, 6 pm, Craft Breww City, 27843 Orchard Lake Rd., Farmington Hills, Michigan.)

In the meantime, please enjoy these scenic photos from the Kimber Run!

Club Caravan to Lowell, Michigan

Saturday, June 6,

Coordinated by Matt Bade

We will meet in the parking lot of the Target Dept store, located in the northwest corner of M-59 and old US-23 In Highland, Michigan. Old US-23 runs parallel to US-23.

Please be in the parking lot by 8:45 am for a 9 am departure.

We will take two lane roads for a two, to two and a half hour drive, stopping once or twice for a break.

We should arrive around 11:30. Our hosts will show us around their classic car collection and property. At about 1 pm, we will head a few minutes north to have lunch together at the Flat River Grill in Lowell.

When we've completed our lunch, I will lead the group back home on M-21. You are free to head back taking a different route, knowing that many of you will drop out at some point along the way to get home as you choose.

We will go through small towns on the way back like Ionia, St Johns, and Owosso. Then we'll head south on M 52 and go through Perry before heading back to the east on Grand River and the US 23/ M 59 intersection.

Please let me (Matt Bade) know ASAP if you plan on attending so that I can tell the Riddles and let the restaurant know how many of us to plan for.

High-Performance Rover 3.5L V8

I bought the engine in Dec. 2011 from former club member Dave Reed. It's a 197x Rover Engine model v8. It weighs about 45 pounds less than the factory 1800 cc 4 cylinder (in my 1978 MGB) and doubles the hp. It has about 32,000 miles on it.

Dave found it through the Autorama. The engine was in a car at the time he purchased it. The seller said he'd had work done on the heads to improve performance.

Serious calls only please. Heide Otto 734-657-2022. We can talk about price when you come to see it.
